## THE OLD AND THE NEW YEAR

As the Old Year closes, the sins, mistakes and failures of that year are bathed in the Flame of Mercy and Forgiveness and cut from each soul by the Lords of Karma in order that the Soul may enter the New Year free of the fetters created by its own error and in such a manner have a greater opportunity for progress, unfoldment and spiritual illumination.

If the outer consciousness co-operates with this spiritual freedom and offer their lifestream to the Ascended Host there can be a greater forward step in the transmutation of their nature—

BUT, if the outer consciousness insists upon holding to the memories of the past, such memories are drawn over the threshold of the Old Year into the New and form a pattern of the New Year's experience again. This is the choice of each individual.

The New Year represents another opportunity for each soul and spirit to ride upon the Cosmic Tide higher into the Heart of Heaven, placing the years that have gone before into the cosmic incinerator of forgiveness and forgetfulness.

IF, this New Year, you could seize upon the purification that has affected your entire inner nature and try to live in the New Year as if there had never been an old, the limitations and evils would drop away because they are not eternal and only the good from the past year would endure and become a mantle of fragrance around you.

## THE LEGEND OF GLASTONBURY

Mathew 26:26— "And as they were eating, Jesus took bread and blessed it, and brake it, and gave it to the disciples, and said 'Take, eat; this is my body'".

26:27, 28— And he took THE CUP and gave thanks and gave it to them, saying "Drink ye all of it, For this is my blood of the new testament, which is shed for many for the remission of sins".

And it came to pass that after the Master had so spoken, He, with his disciples, went out into the Mount of Olives, leaving the Cup of Communion on the table. And then it was, that Joseph of Arimathea, together with Mary, The Mother of Jesus, came unto the room wherein the Feast of the Passover was celebrated, and together They took the Cup, and wrapped it in Mary's Mantle, and carried it thither, to keep in a safe place, under the direction of The Lord God.

And after the days of the crucifixion and the resurrection and the Ascension were accomplished, it came to pass that Joseph of Arimathea prepared to journey into the Mendipp Hills, in the British Islands, to oversee his rich tin deposits, and the Lord apoke unto Him saying 'Joseph, take with Thee, the Beloved Mother of Jesus, and these others whom I shall appoint, and carry the Holy Grail westward to the land which shall sanctify It further in the days that

are yet to come". And Joseph gathered together those appointed by the Lord, and together they went forth, coming at long last to the English seacoast, and there they disembarked with The Precious Cup. The long and arduous pilgrimage left them weary, but they did rest until they had found the place the Lord was to designate for the repository of the Holy Grail. And Joseph, with The Holy Mother, Mary and Martha, and St. Simon Zelotes, and Aristobulus and others came unto Glastonbury and they reverently secreted The Cup in the bottom of a Well until that future Time when some brave sons of men might choose to seek IT out for the blessings of their generation.

Through several centuries IT lay thus, concealed beneath the waters of The Well, until the Good King Arthur gathered round Him the Knights of the Round Table, endeavoring to establish and sustain a spiritual center through which the purpose and pattern of Our Lord might again be incorporated into the temporal lives of men.

Among these Knights was come again Good Joseph of Arimathea, whom they called Sir Galahad. And in God's good time, He, together with Sir Percival and Sir Boers, succeeded in remembering the location of the Holy Grail and looked upon IT for an instant, and the Light of the Grail shed forth

"THE GOD OF PATIENCE AND CONSOLATION GRANT YOU TO BE LIKE-MINDED ONE TOWARD ANOTHER",—Paul (Rom. 15:5).

Its Benediction upon the earth and all its peoples for a time.

After the dissolving of the Order of The Round Table and the death of King Arthur, century after century good monks abode in the vicinity of Glastonbury, and tended the Grail in spirit and in good works, and the Spiritual Ethers grew and waxed strong.

Because of the continued worship in this Holy Place, it was thought wise and good by the Powers of Light to establish an Etheric City over the Abbey of Glastonbury, peopled with Those who had loved The Christ in life, and who had served Him with their love.

Into this City passed many of the Knights at the close of their earthly pilgrimage, and many of the humble monks who served in the various Abbeys through the centuries. It is said that often The Presence of the Master Jesus and His Holy Mother Mary join this Brotherhood at Glastonbury Abbey in their meditations and with them pour out the blessings of the Risen Christ to all peoples everywhere.

And even to the present day, the discerning pilgrims who make the journey to the ruins of the Glastonbury Abbey and who visit the Holy Well at the foot of Chalice Hill FEEL the Presence of Sanctity in the pulsating ethers which are alive with the essence and the nature of the Christ and the holy men whose memory is hallowed here.

#### NEW YEAR GREETING

A Blessed and Holy Year be yours! filled with illumination, progress and spiritual development of the qualities and nature of your own Higher Self which is One with the Self of all Perfected Beings.

MAHA CHOCHAN.

## A VISIT TO GLASTONBURY

Excerpts from the diary of a student-pilgrim to Glastonbury Abbey, England, during the month of May 1948.

These lines are penned as we sit by the side of the Holy Well, in which the Holy Grail was placed by Joseph Arimathea when he visited England after the Crucifixion of Jesus. This well is situated in a secluded corner of an old English garden at the foot of what is called 'Chalice Hill'. We stopped here on our way down the steep hillside and were glad to rest after climbing the high eminence of Tor Hill in order to look at the stone edifice on its summit, which commemorates the martyrdom of the last abbot of the Abbey at the time it was pillaged and destroyed by order of the Crown many centuries ago.

The House and Garden are now used as a Boys' School and one must enter the house in order to visit the Garden, for which they charge the small sum of one shilling. The well is situated in a secluded corner and has a bronze covering which is held in place by a stout lock and key. The custodian undid the lock and raised the cover so that we might look inside. He told us that the well is said to be built two hundred years B. C. and is of the same architecture as the pyramids, with the difference that this well is built *below* the surface of the earth.

He also said that no matter how dry the surrounding country gets, this spring gushes forth at the rate of 25,000 gallons of water per day. Besides the well, it feeds a large swimming pool for the boys and then meanders off down the hill, blessing man and beast and nature as it flows.

He showed us a bronze plaque, outlining the legend of the Holy Grail, telling of Joseph's visit and

how he placed the Cup in the well for safe keeping until he would come again and claim it himself or send a trusted Messenger. It is said that this Holy Grail or Cup cannot be seen by the eyes of the profane.

The Garden and Well are not the property of the Abbey Custodians today, as they are about a mile from the ruins, but in days long past, all of the country hereabouts was owned by the monks.

The ruins of the abbey are surrounded by a high stone fence and only the walls of the different buildings are standing. These are all covered with English ivy; the grass all around is a vivid green and to see the place bathed in the sunlight of a glorious May Day was a never to be forgotten treat for the tired senses.

Part of the legend of the place is that Saint Patrick was abbot here once and we visited the little stone chapel (still in use) where he used to preside at Divine Worship. It is said that a company of Druidical priests lived at that time on the summit of Tor Mount and that Saint Patrick learned many of their secrets which helped him in the conversion of pagan Ireland somewhat later. It is part of the story that when his mission to Ireland was finished, he returned to Glastonbury where he spent his declining years and is buried in one of the vaults of the abbey.

Legend also says that King Arthur established his court here and the open grave in which he and Guinevere were said to be buried may be seen on the grounds. It is said that when the grave was opened their bodies were in a fair state of preservation and that Guinevere's long golden hair had grown down over their forms, but when

## THE MASTERS OF WISDOM SPEAK ON THE ASCENSION

*Maha Chohan*

The journey of the spiritual self through the world of form represents a long and variagated series of experiences which, in time, allow the consciousness to absorb enough Wisdom and become Master over the qualification of enough energy to meet the Cosmic Law's demand. Such as one is then graduated from the evolutionary chain and allowed to function in a more perfect Sphere of Expression, according to the voluntary choice of the Individual. The graduation of the lifestream from the necessity for re-embodiment is the ultimate achievement toward which all students upon The Spiritual Path aspire. At the solemn hour of the Ascension, the lifestream faces a great decision as to what Its future service to life will be.

The few who choose to renounce the full happiness and freedom of the Cosmic Heights to remain as the Guardian Brothers of the Race, from whence They have ascended, enter the ranks of The Great White Brotherhood, and assume the responsibilities of Some Great Intelligence who has volunteered to perform a specific service until some member of the race might develop sufficiently to take over such an activity. The Brotherhood is constantly looking for such material and when even one such individual is found, the guidance, training and preparations for the development of the lifestream to a point where it may be vested with more than ordinary powers is indescribable to the human mind.

*Morya El*

During the course of centuries of time, each lifestream who has embodied on the planet earth has developed certain definite talents

and powers of accomplishment through the voluntary investment of life energy to specific interests. This is known as a "momentum" of healing, teaching, musical or artistic genius, as the case may be. It is an integral part of the lifestream's harvest, woven out of the energies of the heartbeat, and is the only heritage of human endeavor which is allowed entrance in to the Higher Spheres and which ascends with the consciousness at the moment when the earth-pull is released from the soul at the close of the final incarnation.

When the Lords of Karma examine the individual for the last time, preceding the Ascension, the full gathered momentum of the lifestream's service to life is presented for consideration before the Karmic Board. If the lifestream is found ready to be freed from the wheel of birth and re-birth, the disposition to which the individual puts his gathered momentum of service must be made before the actual ritual of the Ascension takes place.

*Kuthumi Lal Singh*

When the Christ Self of the individual signifies to the Cosmic Law that the individual is ready to be released from the chain of birth and rebirth, the Sponsor secures a Hearing before the Karmic Board, whose duty and responsibility it has been to weigh the strengths and weaknesses of the soul through all the centuries that preceded this development. The individual's "Book of life" is examined, the lifestream itself has audience before the Karmic Board, and the assent of this Board is requisite to the freedom of the soul from further re-embodiment.

Because of the exercise of free will, the individual may, however,

refuse to accept its freedom, preferring to re-incarnate to further some particular Cause to which it has devoted its energies through many centuries. If such an one does refuse to accept the Ascension, it is always with the clear understanding that such forfeiture makes the lifestream personally responsible for the creation of any future karma that might enchain the soul again, and thus not allow the opportunity for full freedom when and if the soul should change its mind in the future.

*Venetian*

Individuals who have been offered the Ascension because they had expiated their individual karmic debts and had gained mastery over energy and have renounced that freedom to better serve mankind are among the Holiest Sons of Heaven. They wear upon their foreheads a spiritual identification in the form of an open lotus that is easily discernible to all whose inner eye is developed.

No other group of beings, human or divine, have this particular spiritual mark, and wherever they are encountered the Supreme Intelligence of the Universe bows in acknowledgment of Their Presence, Their Sacrifice, Their Love. When these individuals do finally accept their Ascension this Lotus is amplified and even in Heaven's Highest Spheres it is a permanent identification of Their Love and Service to Life that all who run may read.

*Serapis Bey*

After the individual has appeared before the Lords of Karma, and They have accepted his readiness to graduate from the earth's sphere, he must signify, after deep

## THE REQUIREMENT OF THE HOUR

By Thomas PRINTZ

All great world movements, re-  
ligions and activities, ancient and  
modern, have been inspired by  
some member of The Great White  
Brotherhood in co-operation with  
a spiritually sensitive individual  
in physical embodiment at the time  
of its inception.

The evolution of the individual  
God-ego from infancy to spiritual  
maturity is the underlying purpose  
of all life experience. The Great  
White Brotherhood is the Spirit-  
ual Representative of the God-Will  
for the planet earth and, through  
its members, provides the stimulus  
toward God development for the  
planet and its people through the  
release of tremendous Cosmic  
Forces consciously directed and  
sustained in the lower atmosphere  
where embodied man functions.

With the evolution of the race  
the type of spiritual force requires  
changes, just as in the growth of  
nature the seasons provide the nat-  
ural conditions most beneficial to  
its prolific expression. You might  
consider the release of these great  
Cosmic Outpourings like the play-  
ing of a Universal Symphony,  
each Religion or Activity with its  
constituents representing one chord  
or passage in the Great Whole.

To provide channels for the re-  
lease of these rhythmic pulsations,  
the Masters have inspired the  
founding of the various religions  
and types of worship from the be-  
ginning of time, always designing  
the ceremonials and beliefs around  
the spiritual requirements of the  
age.

The Master chooses those life-  
streams who are by nature and in-  
clination best suited to conduct the  
spiritual forces of that particular  
World Hour, and these people, to-  
gether with Their Spiritual Leader,  
become a radiating center through  
which the Cosmic Forces designed

to bless the race flow. This force  
is absorbed by the souls of men  
and when that element is suffi-  
ciently provided, a new center of  
vital forces is prepared, a new re-  
ligion instituted, and a different  
type of lifestream given an oppor-  
tunity to become the conductor of  
world blessing.

Thus each religion and faith is  
a rhythmic part of The Great Sym-  
phony, but it is regrettable that  
although the Masters work in per-  
fect harmony, the dispensers and  
recipients of Their life force are  
oftimes unable to recognize the  
Unity of Purpose behind the many  
chords of the Universal Song.  
Were the notes and themes in our  
musical compositions as unwilling  
to relinquish their place to the  
following chords we would experi-  
ence the same discords in musical  
expression that man has experi-  
enced through religious bigotry, in-  
tolerance and mis-understanding.

The Master Musicians, playing  
through all the chords on the scene  
of Modern Spiritual Endeavor  
constantly work toward the blend-  
ing of the various scores into a har-  
monious whole and the people of  
earth who are but a part of the  
Great Universal Song would do  
well to emulate Them in their in-  
dividual lives.

In modern times, the Masters  
Koot Humi and Morya El were  
the pioneers from the higher oc-  
taves who succeeded in piercing  
the veil of human ignorance and  
convincing a certain number of  
mankind as to the actual existence  
of these Elder Brothers of the race,  
using the late Madame Blavatsky  
as Their mouthpiece.

However, it is not enough that  
people become aware of the Living  
Presence of these Masters, but they  
must realize that these Emancip-  
ated Ones have dedicated Them-

selves to the redemption of mankind through an awakening of the individual consciousness which will bring liberation from every kind of human limitation, including disease, poverty, wars and yes, ultimately, even death itself.

As in all educational activities, it is logical to assume that there must be co-operation between student and Master. The old saying that "God helps him who helps himself" holds true in this instance and when man is privileged to be shown God's Divine Plan for the earth and its humanity, it would be the part of wisdom for him to enroll under the banner of these Great Benefactors and thus help to promote the speedy evolution of not only himself but the planet and its inhabitants.

The Master Jesus told His disciples nearly two thousand years ago "I have yet many things to say unto you, but ye cannot bear them now". (John 16:12). The Masters of Wisdom apparently consider (as per Their Revelations) that the man of today is mature enough to "bear" enough of Cosmic Truth as will enable him to open his mind to the more advanced doctrine of the New Day, thus enabling him to step boldly through the Door of Knowledge and Enlightenment into the Glory and Freedom of the prophesied Golden Age, the dawn of which is even now illuminating the horizon of this too dark world.

The Time has arrived, therefore, when it is *not* sufficient in itself to accept the existence of the Masters of Wisdom; it is *not* sufficient to gratify the feeling nature in reading and re-reading Their Words; it is *not* sufficient to invoke the light to dispel the darkness of human ignorance—the **NEED OF THE HOUR** is to apply what has been taught not only in recent years but during the past centuries. The **NEED OF THE HOUR** is to develop man's

## WINGS OF LIGHT

By V. F. ANGELDAY

"The best things in Life are free". So ran the words of an old song and if you think this over for just a moment, you **KNOW** it is **TRUE!** Now, since the majority of mankind are always looking for and hoping to get "something for nothing", would you not think they would be willing, at least once in a while, to think upon, acknowledge, accept and be grateful for those free gifts of Life which make up their very existence here and which are constantly flowing to and thru all?

For instance, your heart beat. Can you **BUY** one, Can anyone else **GIVE** you another one or even their own? Then that must be a free gift to you **ALONE!** That rhythmic heartbeat **BRINGS YOU LIFE** and without it you do not even have existence here. For what purpose does your heart beat to bring you Life? To hold that Life within itself? **NO!** It beats only to flood that Life into every cell and atom of your body and then that Life radiates out from you to all the Life you contact, charged with the particular quality of thought and feeling which you determine shall influence the world around you.

You can live without many parts of the physical body, but **NO ONE** lives without a heart. That is the "Cup of Life" within you. In reality it is the "Holy Grail" of your world since it is the anchor-age of the holiest thing in the Universe — **GOD'S LIFE** within your own physical form. That blessed heart beats for just one thing — to give its Gift of Life without reservation, patiently and continuously. It asks nothing for itself and holds nothing to itself. Every drop of blood it receives it blesses and sends out again to purify and heal and renew the body

it serves. It lives but to give and when it gives no longer, it ceases to be and so does the form which it has served.

And so each form which carries a beating heart is meant to be a "HOLY GRAIL" of all Life's gifts, of Comfort, Joy and Happiness to the rest of Life around it and no one can truthfully say they have nothing to give. No one is so poor he cannot give a smile to every one he meets, regardless of whether that smile is returned or not — whether it is deserved or not. No one is so poor he cannot live and let live and be willing to help all to have at least as much good as he has. No one is so poor he cannot deliberately practice patience, courtesy, tolerance and kindness to every living thing he meets. All these are the virtues of the happy life and no life can be permanently happy without them. Thru these the substance of the "Cup of Life" flows free to bless all Life it contacts as each one was meant to do.

Every beating heart is a silent announcement to the rest of Life that "Here is another HOLY GRAIL of God's Great Light and Love to bless Life, to make the way easier for the rest of Life and bring comfort, joy and peace where the shadows seem to be".

So many folks seem to think and feel, whenever they see the words "The Holy Grail" or hear it mentioned — "O! that is some religious thing and I am not a religious person. That is something connected with church and Holy Days and I am not interested". And yet, the very form, the very physical body in which they are living and moving about in this world is in itself the "Cup of Life" from the Creator Himself. It, in turn, holds within its own heart the Sacred

## THE MASTERS OF WISDOM SPEAK ON THE ASCENSION

(Continued from page 55)

and sincere meditation, as to whether His Christ Self chooses to avail Itself of this opportunity, or whether there is more to be done in the world of men. Those who remain after their karma is expiated, like the Master Jesus, belong to the Sainted Order of the Lotus Flame. Those others stand at a forked pathway where again the individual free will must make the decision as to whether the lifestream taking the Ascension will pass on into the comparative peace and happiness of the Higher Spheres or remain as an Active Worker in the Great White Brotherhood, in actual contact with the lesser evolved sons and daughters of earth.

Those who choose the "bliss of Nirvana" turn over the energies within their momentums of healing, musical accomplishment or whatever the case may be, to Devas who incorporate those energies in the beautiful Fire Temples whose radiation and power serve the earth and its peoples, and they really "will" their heritage to mankind, but take their own Conscious Selves into Realms that no longer have any connection with the struggling lives on the earth plane.

### *Hilarion*

After countless centuries of bondage, you can well imagine the joy that is experienced when the fetters of earth, the limitations of the flesh, and the veil of forgetfulness are once and for all removed from the lifestream.

To attempt to describe those first instants of eternal freedom, is as futile as to attempt to put into finite words a suitable description of the Personage of the Godhead. Suffice to say, that —at the very instant such Freedom is experienced—the lifestream is immedi-

tely faced with a free will decision as to whether it shall soar upward into the Cosmic Heights of Peace and Happiness, or — with the glow of freedom still fresh in the heart — turn again to voluntary bondage and centuries of endeavor with the limited consciousness of mankind through some office in The Great White Brotherhood.

It is no wonder that few choose this sacrificial road, and that the many leave their momentum of good for the race, but choose individually to be free of any more of its personal karma.

### *Jesus*

When the soul is passed by the Karmic Board, and the karmic debt is balanced to life, if the individual chooses to accept further incarnations, he does so at his own "peril" because he must submit, as do the volunteers from other planets and systems, to the same natural laws that bind every incarnate spirit. From within an embodied form there is always the possibility of mis-using energy or creating new karma in a successive life, which would become a fetter not to be waved aside by the Karmic Counsel, but which must be mitigated by the self conscious endeavors of its creator. Thus, oft-times, an individual who has been offered the Ascension and renounced it for service, has not been able to qualify for that Ascension for as many as twelve embodiments thereafter. It is not an easy decision to make.

If, however, the lifestream does take incarnation "without sin" as I was privileged to do, and succeeds in passing through an entire earth life without succumbing to any temptation to mis-use energy, such an one may accept the Ascension at any moment during that earth-

life. This was what made my Cosmic Example possible, for, through the great Mercy of life, and the assistance of the Lord Maitreya and Others of the Celestial Host, I was enabled to keep my lifestream ready for the instant when the Cosmic Call of the Presence could be made, and I-self consciously-answered it through the public manifestation of the Ascension.

### *Saint Germain*

If the individual chooses to accept the Ascension when offered it by the Cosmic Board, it is then up to the Presence of such an one, together with the particular Sponsors of the lifestream, to work out the details preparatory to that beautiful ceremony of drawing the purified consciousness into the Christ Estate. Many factors are considered, and every natural assistance is provided in the preparation of the place, at which it is to be accomplished.

In my own case, it was several months after I had passed the final testing before the Karmic Board, before I was enabled to finish up my affairs and retire to the home of a beloved Friend in the Heart of the Transylvania Mountains and prepare for this ultimate experience of earthly victory. Here, I was joined by My Spiritual Teacher and at a given instant at the call of The Presence, I left the arms of My dear Friend, and —with the help of My Teacher — entered the Realms of Perfection, from whence I shall ever strive to assist my brothers and sisters who yet remain on earth until they, too, experience the happiness and peace of this victorious accomplishment.

Voy a pedirles a ustedes que dediquen diariamente cinco minutos, preferible a la misma hora tres veces al día, en la mañana, tarde y noche para dirigir su atención a la Activa Presencia de Dios que late en su corazón, sintiendo profundamente la Luz de esa Presencia llenando su cuerpo, su mente, su mundo y sus asuntos. Durante este tiempo puede hacerse la siguiente meditación

Maha Chohan:

¡Oh, Tú, Infinita y Sagrada Presencia de Dios! El Origen Divino de TODO! ¡Bendito sea Tu Santo Nombre! Siento por Ti la más profunda gratitud y alabanzas por Tu Suprema Presencia en el Universo, porque Tú eres, "Yo soy"!

Te devolvemos, Ser Todopoderoso, todo el poder y dominio que en el pasado le hayamos dado a cualquier manifestación imperfecta, visible o invisible, porque Tú eres el Único Poder que existe en el Universo, no hay otro Poder que pueda actuar. Hágase Tu Voluntad en nosotros ahora. ¡Que Tu Reino se manifieste a través de la tierra y de todos los que son bendecidos de vivir en ella.

¡Oh, Amado Ser Supremo! Mientras nosotros elevamos nuestros corazones, nuestra visión y nuestra conciencia hacia Ti, vierte la substancia de Tu Divino Ser en cada uno de nosotros, de acuerdo con nuestras necesidades, a fin de que nunca fallemos en nuestro servicio en Tu Nombre.

Invocamos Tu perdón por todas las transgresiones a Tu Ley de Amor y Armonía para nosotros, para toda la Humanidad, para las fuerzas del Reino de los Elementos y el Reino de la Naturaleza. Dótanos ahora con Tu Poder y Deseo para que podamos perdonar a todos los que nos han causado pena, dolor y angustia desde el principio del tiempo.

Porque Tú estás con nosotros y en nosotros, no tememos ningún mal, porque no hay poder fuera de Ti que pueda dañar, destruir o robar la belleza de la expresión de la vida. Tú eres la Fuerza y el Poder que nos guía siempre por el Camino del Bien. ¡Oh Padre de Luz! Muéstranos ahora toda la gloria que nosotros tuvimos contigo en el principio, antes de la existencia del mundo. Así sea.

In der Periode von vierundzwanzig Stunden möchte "ICH" Sie bitten, dreimal täglich, und vorzugsweise zu derselben Zeit, fuer funf Minuten Ihre Aufmerksamkeit der aktiven "Anwesenheit" Gottes, welche Ihr Herz schlaegt, zu widmen, tief fuehlend, wie das Licht von der "Anwesenheit" Ihren Koerper, Umgebung und Angelegenheiten durchdringt. Waehrend dieser Zeit, folgende innere Betrachtungen koennen benutzt werden:

MAHA CHOHAN — Oh, Du Unendliche Heilige "Anwesenheit" Gott; Heiliger Urquell von Allem! Geheiligt Sei Dein Geweihter Name! Wir verneigen uns vor Dir in Dankbarkeit, Lob und Danksagung fuer Deine Alleroehchste "Anwesenheit" im Universum. Weil Du Bist, "ICH BIN".

Wir geben alle Macht und Herrschaft, die wir je durch unvollkommene Aeusserungen und Taten missbrauchten, sichtbar und unsichtbar, zu Dir zurueck. Allmaechtiger Herr: denn Du bist die Allmacht des Universum's, nichts anderes hat Macht. Dein Wille in uns geschehe jetzt. Dein Koenigreich komme ueber die ganze Erde und in die Herzen der Menschen, die gesegnet sind, darauf zu leben.

Oh, lieber Alleroehchster Gebieter! Indem wir unsere Herzen, unsere Vision und unser Bewusstsein aufwaerts zu Dir lenken, versetze Jeden von uns mit den Substanzen Deiner Selbst, je nach Bedarf des Einzelnen, sodass indem wir vorwaerts schreiten, in Deinen Namen und in Deinem Dienst, uns an nichts mangelt.

Wir bitten um Verzeihung fuer alle Verletzung Deiner Gesetze der Liebe und Harmonie fuer die Menschheit und uns selbst, fuer das Koenigreich der Elemente und das der Natur. Verleihe uns Deine Kraefte und Deinen Willen, dass wir Allen vergeben koennen, die uns Unrecht taten, bis zurueck zu Beginn aller Zeiten.

Da Du mit uns und in uns bist fuerchten wir kein Uebel, denn es gibt keine Macht abgeschen von Dir, die uns verletzen, zerstreuen oder den Ausdruck des Leben's Schoenheit rauben kann. Du bist die Kraft und die Macht, mit der wir immer auf den Wegen der Gerechtigkeit schreiben, doch jetzt — oh Vater des

**WINGS OF LIGHT...**

Three-fold Flame of Life whose Flame keeps the body warm from within and makes existence possible here. This is the "Holy of Holies", the actual PRESENCE OF GOD, into which no discord of the outer self ever enters to despoil its Peace and Perfection.

This is another beginning this month — the birth of a brand New Year. Let it be the beginning of a deeper understanding of our own Life, the most precious gift in all the Universe to each one, and let us find out what we are meant to do with that Life as God intends. Think on this just a little bit and ask the "Holy Grail" within you to pour Its Essence of Love and Light into your outer consciousness, teach you all about Itself and make you all It wants you to be. Only then will you be Master of your world and the Life, the substance and energy that flows into it.

transgressions of Thy Law of Love and Harmony for ourselves and all mankind, for the forces of the elemental kingdom and the kingdom of nature. Endow us now with Thy Power and Desire to so forgive all who have ever caused us distress, back unto the very beginning of time.

Because Thou art with us and in us, We fear no evil, for there is no power apart from Thee which can hurt, destroy or despoil Life's beauty of expression. Thou art the strength and the power by which we move ever in The Path of Righteousness, and now — Oh Father of Light — show us the full glory we had with Thee in the beginning, before the world was. So Be It.

**NEW RATES**

As THE BRIDGE has doubled the number of its pages, and as the cost of production has increased, we beg to announce our new rates starting from our second year, that is from April 1953. Please see notice of new rates and our address in U.S.A. on page 56, first column.

the air touched them, they crumbled into dust.

At least, that is the story they tell. We also looked at what is said to be the exact spot where Sir Bedivere (one of Arthur's knights) cast the sword 'Excalibur' into the lake at the King's dying request. The lake has long since dried up and the site is now a green cow pasture.

In the Abbey Grounds may be seen also the pink hawthorn tree which grew from Joseph of Arimathea's staff which he struck into the ground and forgot. The tree blooms at Christmas time and again in the Spring. Joseph Himself is supposed to have died and was buried here and the sarcophagus which held his remains is reverently preserved in a prominent place in Saint John's Chapel in the town proper.

These are only a few of the many interesting things in and about this hallowed spot.

**THE REQUIREMENT...**

latent powers in order to establish a direct and conscious contact with these Divine Teachers. The NEED OF THE HOUR is for man to acquaint himself with the present Activities of The Great White Brotherhood. The NEED OF THE HOUR is for each man to turn within, consciously contact and connect his outer consciousness with his own Christ Self, thus becoming not only a Receiving but a Radiating Center to all the life he contacts in his daily living.

To satisfy this requirement is the Service that THE BRIDGE has come to render.

**TÄGLICHES WIRK BLATT**

Licht — zeige uns die vollige Herrlichkeit, die wir im Anfang mit Dir hatten, bevor die Welt war. So sei es.

**IS THAT YOU, MASTER?**

"Is that YOU, Master?", cried my heart  
From out its shroud of doubt and fear.

"We have lived so long apart,  
Can I believe that THOU art here?"

I feel a dam burst in my heart  
And all my foolish, childish pains  
Rush in torrents from my soul...  
I find myself at peace again.

To one as filled with sin as I,  
Among a million sons of men  
My hope exceeds good reason's  
guard,  
Let me not be deceived again.

Oh God, don't let credulity  
Deceive me in this hopeful hour,  
Reveal to me without delay  
What PRESENCE brings This blessed Power.

Are these Your Words of Counsel  
Lord,  
That contain no sting of cruel blame,  
But rather fill my emptiness  
With a renewing, hopeful Flame?

Is that Your PRESENCE, Master  
Dear,  
That stands in Friendship by my  
side?  
With Thee, I could move forward  
now  
In God victorious — whate'er  
betide.

Oh Holy Comforter! I know  
The gentle peace that fills my soul,  
My strength renewed, my Spirit  
fired,  
My faith and purpose now made  
whole.

Have I been so long with thee  
And ye not know my Presence yet?  
'Tis not by form but ESSENCE.  
child,  
The Measure of the Christ is set.

The fruit falls not far from the parent tree  
Nor the Master's works from the  
Father's Throne  
Where Comfort, Hope and Peace  
abide  
The Father's Will is being done.

The Father's Sons are Love Divine  
Their Garments hemmed with Mercy's thread  
Whosoever touches the fringe of the  
Robe  
In Paths of Truth are gently lead.

From January 15th to February 15th, 1953, the Great Ascons-Temple at Luxor, in Egypt, will be the Host to the Members of the Great White Brotherhood and those individuals who choose to accept the opportunity of visiting this Retreat in consciousness and absorbing the gifts of Light, Freedom and Purity which form the Atmosphere and Power of this Retreat.

\*\*\*\*\*

Before the final cataclysm that was to carry the remaining islands of Atlantis beneath the waves, the High Priests of the Temples were notified by the Spiritual Hierarchy to gather together all the priceless treasures from the Temples in which they officiated and load them into the vessels that rode anchor in the placid harbors.

Thus the preparation for the exodus of the Illuminati and the Spiritual Culture of Atlantis began. Quietly and leisurely, the Guardians of the Atlantean Era prepared for the final hour when they would be required to leave their Island Home and journey to far distant lands, each group proceeding according to sealed orders which the Leader carried upon his person but which were not to be opened until the fateful moment of departure had come.

Among these High Priests was the Master whom we know as Serapis Bey. North, east, south and west were the chosen ones to sail, each with a portion of the heritage of the Great Atlantean Culture, each toward a haven of safety where the Light and Power and Knowledge might be secured for the generations yet to come. Over one hundred vessels were prepared, and no less than forty persons were chosen to go with the High Priest in every such vessel.

Finally, the Great Moment Came. The Priests and their companions left Their Temples and bidding each other good bye turned their faces toward the point which was designated in their individual orders. Soon the vessels passed from sight of each other and Their Lovely Home.

The galloon of Serapis Bey and his forty companions sailed eastward, coring finally after many days to the mouth of the River Nile in the land of Egypt. Following the carefully drawn course set forth for them, they proceeded up the Nile to the vicinity of Luxor, where they dis-embarked. Kneeling around the blazing brazier that held still the glowing embers from the Immortal Fire on the Alter of the Home Temple, Serapis and his companions breathed

on the smouldering sparks until the Fire leapt up renewed and warmed their hearts and spirits with the memories of a Loved Land, a culture, a Home they would see no more, except in the light of memory or the softly moving folds of Akasha on certain spiritual occasions when a Great One should choose to re-vivify the glory of That Day. Thus, did Serapis and the Forty Chosen Ones breathe into The Flame the first pulsation of their Own Life and Breath. This Flame has endured unto this present day and forms the White and Golden Ascension Flame in the Heart of the Retreat at Luxor.

As they knelt so, the earth beneath their feet shook violently and the river swelled mightily overflowing her banks, and the Priests and their attendants bowed their heads, knowing that in that moment, as the Flame leaped upward, somewhere to the westward the sea had fulfilled the prophesies and Atlantis, Jewel of the Sun, with all her children, had been claimed into the purifying waters of the Great Ocean which still bears Her Name. Thus birth and death alike rose in waves of tumultuous feeling in the breasts of the Keepers of the Flame and sadness tinged the worship of the New Fire of Hope that lived on the breath of these pilgrims from the Homeland, and Luxor - as a focus of Light - was born.

After a time, the radiation of the Brotherhood drew about them natives of the country, and they builded the first Temple on the design of their Atlantean architecture. The spiritual knowledge and works of The Brothers spread across the land of Egypt, and the peoples adopted the Temple Worship as their own. Century after century, the Great Hierarch or one or more of His Disciples returned, re-embodying and assuming anew the Office of High Priest and increasing the power and concentrated essence of The Flame. The one pointedness of Their Lives and the Purity of The Flame, together with Its Momentum from Atlantis, made it known throughout the entire spiritual world that the Temple at Luxor offered particular opportunity for all those interested enough in their freedom to endure the disciplines required to abide therein to shorten the length of the earth journey and accelerate the hour of the union between the outer self and the God Self.

Here, on the banks of the Nile, everyman is invited to stand in The Presence of the Hierarch of Luxor, enter the heart of the Ascension Flame, and prepare to meet His Own Godself face to face and come into oneness with Its Purpose, Its Design Its Service through the outer personality.

After entering the Temple at Luxor and being shown to the private room, each visitor is summoned before the Hierarch for a personal interview. At Inner Levels, the Master Serapis is the directing Intelligence of the Fourth Sphere. In this Great Sphere, the Higher Mental Bodies or Christ Selves of the greater number of the human race abide, awaiting the hour when They can assume the authority over the outer personal self and fulfill their God Plan. Serapis, therefore, is so well acquainted with the Divine Self of each applicant and knows full well what the Spiritual Pattern and Destiny is for each personal ego who has the temerity to stand before Him. The measure of development of the personal self and the clear picture of the Christ Self are registered in His Consciousness simultaneously, during the interview and the particular type of Bridge (training, discipline, instruction and purification) required to draw this Inner Christ Self and the outer personality together is here designed by the Master and given to one of the Brothers who is assigned the responsibility to see that the student is given the opportunity to develop according to the Hierarch's plan. This tutelage is done entirely from "behind the veil" and the neophyte is never conscious of a teacher at any time. He is forced back into communion with the

Godself within his own heart and made to rely upon its promptings at all times. The circumstances that seem to "happen" are, of course, carefully planned to give him the opportunity to gain mastery through self control and initiative. Only those who are able to move forward according to the promptings of the God self are allowed to remain. The others, after a given time, are asked to withdraw. It is a particular fact that, although the Membership at the Luxor Temple has always been smaller than at any other Retreat on the earth, the interest of the people has always been turned toward It by reason of Its Reputation for Discipline and Training. It is the hope of Its Great Hierarch that the people of earth may ENJOY this month at Luxor, and the explanations of The Law which are behind the disciplines which form the Vow of the Neophite and - understanding the Law - be eager to comply with it and thus gain their individual victory in the Light.

May the Light of Luxor and the Glory of the Ascension Flame be **yours** during this time, and through you each one flood the earth with the knowledge of the Power of Light and Love as the Master Control of Energy in every realm, sphere, and octave in the earth, upon its surface, or in its upper atmosphere.
