FOREWORD

In the following pages of this booklet, several of the great Ascended Beings have offered to answer a number of questions which might appear uppermost in the minds of those seeking Light and Truth upon our planet today.

While each question is not answered in the fullest detail one might expect, it must be understood that the fullest explanation of any one subject concerning the Law of Life cannot be given in even one booklet such as this, but simply serves as an indication to the seeker that the answers to all of his questions will become available as he treads the Path sincerely seeking more Light.

To each one thus imbued, we offer our deepest Love and congratulations. Once you step upon the Path of Spiritual Enlightenment, there is no turning back. The Light from God's Heart ever beckons us onward - a beacon in the shadows and a sustaining power in adversity - to that one glorious Goal of all - the Ascension. Here we become ONE with the Father; ONE with the Son; and ONE with the Holy Spirit - a Holy Trinity - unto ourselves - never looking backward except to extend a helping hand - in love and compassion - to those still walking the ways of Earth.

Sincerely yours in the
LIGHT OF GOD THAT NEVER
FAILS

THE BELOVED LADY MASTER - PARSES

Speaks on

Man's journey on the Earth

As My Name denotes, My activity is directly concerned with the analysis of abstruse terminology. It is My privilege to translate into simple form some of the Truths which have been distorted by man's concept. The following are the first of a series of questions which are uppermost in the hearts of mankind in their soul search for spiritual edification. I shall answer these questions in a concise manner.

1. WHAT IS THE PURPOSE OF MAN'S JOURNEY UPON THE PLANET EARTH?

To bring into physical manifestation his portion of the Divine Blueprint given to him by the Father.

2. WHY DO YOU SAY "THE FATHER" - USING THE MASCULINE ASPECT OF DEITY?

Every Divine Being is basically masculine and feminine in nature - having the power of both fecundation and nourishment. This power is also latent in everyone not yet ascended. The mass of mankind cognize only one facet of this expression and an understanding of this principle would avoid much unnecessary degradation. Man, during his many embodiments upon the Earth, is required

to express either aspect; but before his Ascension both aspects must be equally developed. He can then magnetize, nourish and sustain his Divine Blueprint. The Christian (Sixth) Dispensation, under the direction of Beloved Jesus, emphasized the Fatherhood of God. The Seventh Dispensation, in which you are living, will inculcate the Feminine Aspect of Deity (the Father-Mother God.)

3. WHY IS MAN REQUIRED TO EMBODY MORE THAN ONCE UPON THIS EARTH?

For the reason mentioned in Answer 2; and the over-all picture, or Divine Blueprint of the Godhead, is of such tremendous scope that the individualized lifestream requires rest between the various phases of his development, and while sojourning in the inner realms, he is shown what he should have accomplished in the time allotted to him in that particular span on Earth. There are Divine Teachers in these inner realms who voluntarily assume the responsibility of training each individual in order that in a succeeding embodiment he will progress after looking impersonally upon both his successes and failures. These Divine Teachers are assigned to each individual by the Great Karmic Board.

I I

LORD THEOPHRASTUS

Speaks on

The Karmic Board

"I AM" He who followed Plato and Aristotle in the Peripatetic School. Therefore it is My pleasure to follow the Lady Parses. I, too, shall impart to you in simple terms several answers to questions which are imperative to the understanding and application of the Spiritual Law.

4. WHAT IS THE KARMIC BOARD?

The Karmic Board is a Council which voluntarily assumed both the responsibility and obligation of meting out the necessary lessons required by each individual who has taken embodiment upon the planet Earth. All of mankind were originally created in the image and likeness of the Father-Mother God without taint of sin. Each one was endowed with the power of free will in using his creative faculties to fulfill his portion of the Divine Plan - as Lady Parses said. While each individual utilized this free will to fulfill his Divine Missions, the First Golden Age flourished. At that time, there was no requirement for the Karmic Board. The Second and Third Golden Ages completed their courses in a like manner.

The cycle of the Fourth Age upon the planet Earth found Her a voluntary hostess to peoples from other planets who had rebelled against God's Law and were thus planetary orphans (lag-

gards). Then the peoples of Earth, despite the protection invoked by Lord Michael and other Divine Beings succumbed to the subtle sin of curiosity. Their experimentation with the misuse of free will caused what is known as the "fall of man." They became enamored of their use of the creative powers, independent of God-direction, and that which you know as the soul was born. Anticipating this rebellion against the Father-Mother God and the resultant discord which would ensue, three Divine Beings volunteered to assist anyone so enmeshed in this personal and mass creation of imperfect thoughts, feelings, words and actions. Thus the first Karmic Board was formed. Through successive ages, due to recalcitrance upon the part of Teachers as well as students, the number of Members of the Karmic Board has been increased to seven - each representing a particular God Virtue temporarily lost by man. The Divine Beings who comprise the Karmic Board qualify for Their Office according to the requirement. Thus the Office and the individual Beings are not always the same.

5. HOW DO THESE MEMBERS ASSIST MAN?

At the close of each embodiment, the soul is required to appear before the Karmic Board. Here he is given opportunity to explain THE REASON for the activities in his last Earthly embodiment. The Karmic Board in turn looks upon the MOTIVES behind such activities and assigns each soul to a realm whose vibratory action is akin to such an one's consciousness. Also at this time a Teacher either volunteers or is assigned to such a soul so that it will better understand the reason for its being, and upon its return to Earth in the next embodiment have opportunity to make restitution.

6. FROM WHENCE IS THE WORD "KARMIC" DERIVED?

As a man sows, so shall he reap. Therefore all energy the soul has misqualified becomes "evil" Karma; and that which he qualified in a constructive manner is good Karma. It is oft-times referred to as the Law of Cause and Effect.

7. WHAT IS PURGATORY?

Purgatory is not a place, but is an activity of purging the soul. Man is not required to carry his imperfect karma with him until he leaves his flesh body. The Act of Purgation SHOULD TAKE PLACE as soon as he is privileged to know of the Sacred Fire of Transmutation and by cooperation with the Karmic Board and the Divine Beings who are waiting to assist him when so invoked. Those who refuse to accept this Truth while in embodiment will, of necessity, be assigned by the Karmic Board to the exercise of purgation after so-called death.

8. WHAT IS HELL?

Hell is the state of consciousness - an uncomfortable one - in which man reaps the results of misdeeds. When he learns the use of the Sacred Fire of Transmutation, he can remove the resultant effects of his misdeeds. It is entirely man's self-chosen estate through the mis-use of free will. He can remain in that consciousness with its attendant suffering or extricate himself by the act of purgation. As We have previously told you, each individual has lived for ages of time. Therefore the extent of each soul's personal hell and period of purgation is determined by his use of life through those ages. His

redemption will likewise require a balance of constructive endeavor. There is no permanence to hell or suffering of any kind when the individual ACCEPTS THE LAW OF THE CIRCLE, takes full responsibility for the conditions in which he presently abides, and makes humble supplication for assistance in his redemption.

III

THE ASCENDED LADY MASTER - MERCEDES

Speaks on

The Violet Transmuting Flame

9. WHAT IS THE VIOLET TRANSMUTING FLAME?

It is the Sacred Fire which is God's pure energy qualified by Divine Beings to purify all discordant energy.

10. HOW CAN UNASCENDED BEINGS AVAIL THEMSELVES OF THIS MERCIFUL BLESSING?

By the invocation of the Divine Beings who have dedicated Themselves to this service.

11. WHO ARE THESE DIVINE BEINGS?

Those who serve on the Seventh Ray - Arcturus and Diana; Zadkiel and Holy Amethyst; Ascended Master Sairt Germain and Portia; Kwan Yin and Myself; and the Ascended, Seraphic, Cherubic and Angelic Legions who serve with Us.

My Beloved Sister, Kwan Yin, and all of Us have taken a voluntary vow to Helios and Vesta that We would never enter Nirvana until the Earth and all Her attendant evolutions are completely free of distress.

12. HOW CAN THESE DIVINE BEINGS BE INVOKED?

By thinking about Us and being able to accept Our reality and capacity to render this service; by requesting Us to give the required assistance. This will be easier of accomplishment for those who have served with Us through the ages as this strikes a respondent chord in their feelings.

13. WHERE IS THE VIOLET TRANSMUTING FLAME?

It is a Fourth Dimensional Activity which is omnipresent - actively directed by the Divine Being when invoked by the individual requiring assistance for himself or others.

14. WHAT HAPPENS WHEN THIS VIOLET TRANSMUTING FLAME IS CALLED INTO ACTION?

It accelerates the vibratory action of the electrons which make up the atoms which compose the four lower vehicles of the individual. As this acceleration takes place, the cells and atoms automatically throw off the effluvia consciously or unconsciously gathered through the ages.

15. WHERE DOES THIS IMPERFECTION GO?

Into the Sacred Fire which purifies it and returns it to the individual with the required specific God Quality.

16. HOW LONG DOES IT TAKE FOR THIS
TRANSMUTATION?

It is dependent entirely upon the amount of the effluvia, the acceptance of faith, and the perseverance of the individual.

17. WHAT IS REQUIRED TO SUSTAIN THIS STATE OF
PURIFICATION?

Rhythmic use of this blessed purifying agent until perfection is manifested and sustained.

18. CAN THIS BE USED FOR THOSE NOT IN
EMBODIMENT?

Yes, until an individual has made the Ascension. Through the use of free will, more imperfection can be created. Eternal vigilance over the creative faculties of thought and feeling will result in God-Victorious achievement.

19. WHY DO THE DIVINE BEINGS SERVE ON THE
SEVENTH RAY?

The Seventh Ray is particularly active under the two thousand year cycle of the Ascended Master Saint Germain begun in 1954.

20. WILL YOU, MY CHELAS, JOIN WITH US IN THE
GLORIOUS REDEMPTIVE PROCESS?

Many of Us have come out of the Great Silence for this specific purpose. Methinks it advisable for you to join with Us in this service NOW!

MIGHTY ZEUS

Speaks on

The Eight Bodies of Man

"I AM" Zeus, one of the Sun Gods who came to this Earth and was privileged to raise Greece to the height of her perfection centuries before the Beloved Jesus brought His Light to the world.

Spiritual illumination is released to the chela according to his capacity to understand and apply greater knowledge for the benefaction of the planet Earth and Her evolutions.

21. EXPLAIN THE BODIES OF MAN.

In most instances, the chela has been told about the seven bodies. However, under the direction of the God and Goddess Meru, I have volunteered to explain simply the eight-fold Nature of man as God created him.

22. DOES MAN FUNCTION THROUGH MORE THAN
ONE BODY?

The entire eight vehicles are necessary - four in the Higher Spheres and four in the lower, in order to be a perfect conductor of one Aspect of Deity.

23. WHAT ARE THE NAMES OF THESE BODIES?

THE WHITE FIRE BEING, made in the image and likeness of God is moulded out of pure Electronic Light Substance and is ever active as a radiating center in the Cosmic Realms, an infinitesimal

part of Itself being the energizing power of the other bodies. As the planets revolve around their individual Suns, so do the White Fire Bodies of all mankind actively participate in the joy of Cosmic Creation.

DIVINE COMPLEMENTS: The first decision made in the Heart of the White Fire Being is whether to function only in the Cosmos or voluntarily project the Dual Aspect of Its Divine Nature into the Ascended Master Realms to give more concentrated assistance to a particular evolution. These Divine Complements are known to some students as the individualized "I AM" Presence.

CAUSAL BODY: This is the accumulated good of the lifestream which is created by the interest and activity of each such an one. It forms the aureola of the "I AM" Presence. The nature and service which each "I AM" Presence is to perform was determined before individualization took place. Seen with the inner sight, all the colors of the spectrum are a component part of the Causal Body. The Virtue or Quality to which the individual has an affinity will from the largest reservoir of energy - the color dependent upon the Quality. Wise is the student who cognizes the truth that the Causal Body as an infinite supply which can be drawn forth for his benefaction and that of all mankind. By Its very name, it is a body of CAUSE, and the EFFECT is destined to manifest wheresoever the astute student calls it forth.

HOLY CHRIST SELF: Jesus referred to this Spark of Divinity within man as "the Father within." When the "I AM" Presence volunteers to take embodiment upon the Earth plane, it projects

a tiny replica of itself into the mother's womb at the time of conception. It is the cohesive power around which the Builders of Form create the lower bodies. As the Feminine Ray increases in intensity upon the Earth, the mothers of the race will become more cognizant of the sacred privilege of assisting the Builders of Form in nourishing the Holy Christ Self. She, in truth, is a chalice for the incoming Spirit. The obligation and responsibility or parents to the spirits of the unborn can either hinder or delay the spiritual development of these children.

As the great Manu, Saithrhu, already awaits with the first sub-race of the Seventh Root Race the opportunity of sending these forerunners to the Earth to more quickly accelerate Her evolutionary progress, it is the obligation of the Manus and Their recalcitrant children on Earth to complete their course quickly to make room for these great Beings. Again the wisdom of the ages requires humility, discrimination, balance and sincerity to this dedicated Cause. Anonymity is a Spiritual Cloak!

24. WHAT ARE THE NAMES OF THE LOWER BODIES?

The emotional, mental, etheric, and physical bodies.

25. WHAT IS THE FUNCTION OF THE EMOTIONAL BODY?

The emotional body is the feeling world. It is the largest of the four bodies, and is composed primarily of the water element. The emotional body was designed by the Builders of Form to act as a cradle in which the other lower bodies would be enfolded; even as the landed surface of the Earth is cradled by the seas. Its correct service

is to nourish Divine Ideas with the positive feeling of accomplishment. Thought, words and actions have little efficacy until the buoyancy and enthusiasm of the feelings projects and sustains them in whatever sphere the individual's consciousness desires them to act.

The feeling consciousness must be purified by calling to the Beloved Ascended Master Saint Germain and the Violet Transmuting Flame because through aeons of time the individual has been subject to various situations wherein disappointments, disillusionments, and rebellions have created rebellious feelings - "troubled waters." When so purified, the feelings will always determine the activities of the outer self - subconscious or conscious. The Beloved Ascended Master Jesus was admonished to first become Master over Himself (the four lower vehicles which He used in His last victorious accomplishment) before He could be Master over the lower vehicles of others, as well as the elements themselves. Having such Mastery, it was easy for Him to expand the FEELING OF PEACE to the raging waters that alarmed His disciples in Galilee.

26. WHAT IS THE FUNCTION OF THE MENTAL BODY?

The mental body should be the chalice for the receptivity of the Divine Ideas. It has the power within itself to mould these Divine Ideas into practical workable form, the same purifying process as given for the emotional body applies to all four lower bodies.

27. WHAT IS THE FUNCTION OF THE ETHERIC BODY?

The etheric body, sometimes called the "soul", records all the experiences of the lifestream

since individualization took place. It receives from the mental body those ideas which have been energized by the feeling world. Before thoughts and feelings can be manifest in the physical appearance world, they must be sieved through the etheric body. As the etheric body holds all the records, both good and evil, within itself, it is of prime importance that the misdeeds of the lifestream recorded therein be transmuted. These records form the essence of the personality and stamp all the activities of the individual with its specific nature.

28. WHAT IS THE FUNCTION OF THE PHYSICAL BODY?

The physical body is the anchorage upon the Earth plane through which should be channelled a portion of the activities of the other seven bodies. When they are in perfect attunement with the white Fire Being, they are a Master Presence here on Earth. Conversely, the imperfections of the physical body are the result of the impact of the emotional, mental, and etheric natures not only of itself, but of other lifestreams. Present and past environment and associations are primal factors in the constitution of these bodies.

29. WHAT SHOULD AN INDIVIDUAL DO TO ERADICATE THE IMPERFECTIONS IN THE FOUR LOWER BODIES?

One who has conscious knowledge of the purifying activities of the Sacred Fire in its seven-fold aspect, should invoke its transmuting powers. Each lifestream, through aeons of service with one or more of the seven Rays, will find the particular Rays to which they have an affinity, and they respond more readily to those Flames and Rays when invoked.

30. HOW DOES ONE PROCEED IN THIS INVOCATION?

First accept the reality of the Beings who are the Directors of each of the Rays. Then learn the Quality and Activity of each Ray. Then practice invocation to the Divine Being who is the consolidating focus for this specific service. Here again, the feeling nature of the individual (when purified) will be of the greatest assistance in cognizing which Ray is the most efficacious for that particular individual.

31. WHO ARE THE DIRECTORS OF THE SEVEN RAYS: AND WHAT ARE THEIR SERVICES?

RAY	DIRECTOR	QUALITY	COLOR
1st	El Morya	Illumined Faith	blue
2nd	Confucius	Wisdom	gold
3rd	Lady Rowena	Love, Adoration	pink
4th	Serapis Bey	Purity, Hope	white
5th	Hilarion	Consecration	green
6th	Lady Nada	Healing, Ministration	ruby
7th	Saint Germain	Mercy, Purification	violet

32. WHAT IS A SIMPLE EXERCISE TO DETERMINE THE FLAMES AND RAYS TO WHICH EACH MAN HAS AN AFFINITY?

"I AM" (3) the Resurrection and the Life of Beloved Ascended Master El Morya's Illumined Faith IN ACTION in my being and world today.(3)

Then follow through with the Beings and Qualities of the other six Rays. This exercise should be performed rhythmically in each twenty-four hour period for nine months in order to avoid any misconception as to the efficacy of the

Flame and Ray which brings the greatest assistance to the individual.

Also, as individuals, through the course of many embodiments, have served upon several of these Rays, they will be strengthened on those Rays upon which they have not been particularly active.

THIS IS ONE OF THE MOST EFFICACIOUS WAYS OF ROUNDING OUT AN INDIVIDUAL'S NATURE!

V

MIGHTY ZARATHUSTRA

Speaks on

Magnetization
of the Spiritual Centers of the Earth

"I AM" Zarathustra, High Priest of the Sacred Fire of Enthusiasm, which is the buoyant feeling of God-Accomplishment required by every aspirant to sustain them in constant service to the White Forces. I, like My Confreres, have offered My services to the God and Goddess Meru and those of you who thrill to the vibrant fires of creation

which are Mine to give and yours to accept for the benefaction of the Earth.

33. WHY ARE THESE GREAT BEINGS, GENERALLY UNKNOWN TO THE STUDENT, COMING FORTH AT THIS TIME?

Because of the recalcitrance of the Earth and Her attendant evolutions, many of Us who have served the people of Earth in ages past have volunteered to add the required impetus necessary for spiritual growth and understanding and ACTION.

34. WHENCE CAME YOU, ZARATHUSTRA?

I came from the Heart of the Sun of this System (Helios and Vesta) at the crucial hour when the veil of maya was so heavy a cloud upon the Earth that even physical fire was unknown as a means of warmth, light, and purification.

35. WHY CAME YOU ?

To bring again the knowledge of the Sacred Fire and to create a Priesthood who could, and did successfully invoke the Powers of Light with sufficient intensity to kindle anew the embers of Divinity in the hearts of man - thus preventing the disintegration of the planet.

36. TELL US, PLEASE, HOW WE CAN BEST COOPERATE WITH YOU.

Become aware that within your heart is a spark of the Fire of Creation which I shall fan with My Fire of Enthusiasm into that same blazing feeling of interest in the Earth's redemption, which according to Cosmic Law is destined for a permanent acceleration preparatory to the move -

ment of the planets in an orderly and gracious sequence.

37. AFTER WE HAVE DEVELOPED THIS AWARE-
NESS, HOW DO YOU SUGGEST WE PROCEED?

In the same manner that I and My disciples did. In the study of true Astronomy, there are certain strategic points on the planet Earth wherein distinct Foci of the Sacred Fire are required to be magnetized and sustained to send forth a radiation of a particular God Quality to hold the balance of constructive vibration in the lower strata wherein the mass of the people abide. The geometrically related Foci must be personally magnetized by individuals who have an affinity to the required God Quality. Today, Astronomy is more abstract and the student who is chosen at inner levels for the great privilege of magnetizing a God Quality in a certain locality is oftentimes unaware of the seemingly natural desire to go to a location. The students of Zarathustra are beyond the subtle curiosity of the outer mind and the fanciful promptings of unsatisfied cravings of the personality.

38. KINDLY GIVE US AN EXAMPLE OF THIS.

Before the birth of the Beloved Ascended Master Jesus, the trained astronomers scanned the heavens for that particular Star which would denote His advent. When it appeared, they followed that Star to Bethlehem to give homage to the Christ Child. So does the student of Zarathustra cognize, through the beam of his attention, the astronomical centers from whence they shall be instruments in the magnetization of a certain locality. Oftentimes such students re-embodiment after age in such a location to give a greater

momentum of concentrated and one pointed energy to that specific Focus on the Earth. All of the Ascended Master Retreats are so geometrically located. Thus does the Lord of the World create the geometric pattern for each year which will be most beneficial to the human race by assigning the specific Master Retreats which will be energized by the attention of the students during that particular period. These are the fluctuating designs necessary in each year which the Beloved Maha Chohan weaves into the perfect Design for the two thousand year cycle.

39. UNAWARE OF TRUE ASTRONOMY, WHAT ADVICE
WOULD YOU GIVE THE STUDENTS?

There is a Law beyond human law which keeps the planets and stars in their orbits, and this Law acts through the initiative of the chela in placing him in the orbit wherein he can render the greatest service, usually surrounded by several other students who have a like affinity. These few gathered together and magnetizing the God Virtue required, shall see the manifest expression in works well done if they are able to overcome the disintegrating force of personal defects. Students who are, by reason of karma and geographical isolation, unable to be members of a Group, are having special training preparatory to their future service, and should not dissipate the energies which We channel through them. KNOW that whether you are in a Group Activity or serving individually, We have placed you there for a specific reason, and when your service is completed in a specific locality, We shall, in a natural manner, move you to another location requiring the assistance of your momentum of service to the Light.

40. AS THERE HAS BEEN SO MUCH FEAR IN PEOPLE'S MINDS REGARDING THE "LATTER" DAYS WHICH ARE UPON US, HOW CAN WE DISTINGUISH BETWEEN FALSE PROPHECY AND THE TRUE WORD OF GOD?

Fear is an insidious tool of the sinister force and FEARLESS ARE THE STUDENTS OF ZARATHUSTRA! Remain and trust, wheresoever you may be, until I direct you elsewhere.

PLEDGE TO ZARATHUSTRA

In the Name of the Presence of God which "I AM", I solemnly pledge the God energies loaned to me by the Father-Mother God of Creation to cooperate with the Mighty Zarathustra.

I invoke Beloved Zarathustra to fill my being and world with His FEELING OF ENTHUSIASM in this Service, So help me God!

V I

MIGHTY ZOROASTER

Speaks on

The Law of the Rhythmic Breath

"I AM" ZOROASTER, one of the Divine Beings who has offered the God and Goddess Meru My particular services in bringing the remembrance to the earnest chelas of the importance of Rhythmic Breathing.

41. WHAT IS THE EFFICACY OF RHYTHMIC BREATHING?

It clarifies the four lower bodies of the noxious substance which has been accumulated and lodged in the cells and atoms which make up these vehicles.

42. DOES RHYTHMIC BREATHING PERFORM THE SAME SERVICE AS THE USE OF THE VIOLET FLAME OF TRANSMUTATION?

Yes. The more the individual does the Rhythmic Breath, the more efficacious is the action of any spiritual exercise.

43. THEN WHY STRESS THE IMPORTANCE OF THE USE OF THE VARIOUS FLAMES OF TRANSMUTATION?

Because the average individual has forgotten the proper use of the Rhythmic Breath which he once knew in the earlier ages. In the invocation of the Divine Beings who direct the Flames of Transmutation, They send the Sacred Fire through the four lower bodies in a rhythmic manner, thus setting up an action of rhythm in these bodies. When the chela learns, and applies, the Law of the Rhythmic Breath, the transmutation of imperfection will take place in an almost instantaneous manner - the chela then being able to consciously cooperate with the Divine Being or Beings so invoked.

44. HOW DO YOU SUGGEST THE CHELA PROCEED IN THIS EXERCISE OF THE RHYTHMIC BREATH?

Invoke the remembrance of the correct use of the Rhythmic Breath (which is pulsating in the Causal Body of each chela) which he or she used

in previous Golden Ages. In these eras, such an one was a self-luminous being whose locomotion was one of natural grace and beauty-expressing the Divine attributes as the Father-Mother God intended. From the tiny blade of grass to the most perfected Being on Earth, the rhythm of the Cosmos was channeled without interference for there was no discord of any kind. In these cycles the Cosmic Tone of the planet Earth played its perfect part in the over-all Symphony of this Solar System. The Manu of each cycle strikes the keynote for that entire two thousand year period, and all the life belonging to His Root Race and sub-races is supposed to contribute to the Symphony which He directs. The Seven Manus designed Their keynotes to blend one with the other so that the final crescendo for the planet Earth would resound in Victory when Saithru and His Children inhabited the Earth.

45. WHAT CAUSED THE DISSONANCE IN THE DIVINE SYMPHONY?

The misuse of the free will of some of the children of the Manus, as well as the inharmony of the "orphan" guests which over-populated the planet and Her environs and distorted the natural Symphony.

46. WILL YOU KINDLY GIVE US A SIMPLE EXERCISE IN RHYTHMIC BREATHING?

- a. Call to the "I AM" Presence and Beloved Astrea to SWEEP Her Flame of Purification through the four lower bodies.

- b. Ask your Holy Christ Self to consciously command the obedience and respect of the four lower vehicles to the Presence of Deity.
- c. Exhale the breath through the oral cavity qualified with Astrea's Ray of Purity - accepting that purification emotionally, mentally, etherically, and physically.
- d. The Beloved Maha Chohan secured a Dispensation from the Cosmic Law to instruct the chelas to breathe, individually and collectively, under the protection of the Divine Hierarch and Sponsor of each month. Indiscriminate experimentation with the use of the Breath without such protection is dangerous in the extreme.
- e. To consciously cooperate with the Beloved Maha Chohan (who gives you your first breath and receives your last on the Earth Plane), it is imperative that you use the Breathing Affirmation of the current Ascended Master Retreat.
- f. REMEMBER, this is an essential Spiritual Exercise which should be performed with as much dignity and reverence as the chela can command.

BELOVED VICTORY

Speaks on

The Power of the Three Times Three

"I AM" VICTORY, that very Being Who , on Tara's Hill (a Sacred Mount indeed), drew from the Beloved Saint Patrick all of His own full-gathered momentum of Illumined Faith in God, PERSISTENCE IN INVOKING GOD'S HOLY WILL for the benighted children of God. At last, after the extreme tests upon Lord Patrick's patience, I interceded with the Heavenly Father-Mother God and received the dispensation of spiritual salvation for the people of Ireland who were the re-embodied spirits who once knew VICTORIOUS EXPRESSION when the Chohan of the First Ray - Beloved El Morya - guarded and guided them from the Halls of Tara. I, like unto My Confreres, have given My pledge to Lord and Lady Meru to answer some questions - particularly pertaining to the Power of the Three Times Three.

47. WHAT IS THE POWER OF THE THREE TIMES THREE?

I shall first give you the simple explanation as related to your individual identity. You are well aware that within your physical body is the Immortal Victorious Three-fold Flame of God - Blue, Gold, and Pink, which is the permanent Atom of personal individualization.

In the Electronic "I AM" Presence, is a much greater focus of this triple aspect of Deity.

In the White Fire Being, from whence came your "I AM" Presence, is the primal Three-fold Flame which contains the entire Divine Blueprint of the individual lifestream.

48. WHY IS THE EXPRESSION "FULL POWER OF THE THREE TIMES THREE" USED?

Because it incorporates the balanced energies of the three vehicles mentioned above to express God-Perfection here on Earth or in any sphere where assistance is required. The subjugation of the four lower vehicles allows the three Divine Expressions full power to act. To the undeveloped-man whose Three-fold Flame is latent, I would like to say that the Three-fold Flame in the Heart of the "I AM" Presence and the White Fire Being are constantly and consistently joining in the glorious creation of ever-expanding beauty in the Cosmos.

49. WHAT DO THE COLORS OF THIS THREE FOLD FLAME -BLUE GOLD, AND PINK REPRESENT?

BLUE is the God Power Almighty which enables the individual to magnetize God's Life.

GOLD is the Wisdom to use that Life to promulgate GOOD.

PINK is the Divine Love which qualifies the God Life intelligently into expression.

50. HOW CAN THE CHELA BETTER PREPARE HIMSELF SO THAT THIS NINE-FOLD ACTIVITY WILL EXPRESS THROUGH HIM IN PERFECT BALANCE?

To invoke the Regent, SANAT KUMARA, to assist him in expanding the Three-fold Flame within his heart. This opens the door to the inflow of Sanat

Kumara's FEELING of the powerful, wise activity of pure Divine Love from the White Fire Being, the individualized "I AM" Presence, and the Three-fold Flame within the heart, which is the natural expression for every one of God's children. Few there are, here on Earth, who know of their own God potentialities.

51. WHY DO YOU SUGGEST BELOVED SANAT KUMARA INSTEAD OF SOME OTHER DIVINE BEING?

Because Sanat Kumara, together with the other Kumaras, brought from Venus, in a crucial time in Earth's history, the Cosmic Three-fold Flame which formed the cohesive power of the Spirit of the Great White Brotherhood. During the month of November, Sanat Kumara, together with the Lord of the World, Beloved Gautama, graciously receive into Their very Presence at Shamballa all who have contributed to the benefaction of the Earth and Her attendant evolutions. These two Divine Beings accelerate the Three-fold Flame within the heart of each visitant who, at the close of this ceremony, returns into the orbit of his own sphere of influence IMBUED with Their feeling of the Three-fold Aspect of Divinity - Father, Son, and Holy Spirit. Everyone so privileged to participate in these ceremonies carries the responsibility and obligation to accept, sustain, and expand that feeling.

52. WHAT IS THE RANK OF THE DIVINE BEINGS WHO REPRESENT THE NINE-FOLD ASPECT OF DEITY?

Crowns, Thrones, and Principalities;
Seraphim, Cherubim, and Angels;
Cosmic Beings, Ascended Masters, and
Holy Christ Selves.

53. WHAT SERVICE CAN THEY RENDER TO US IN THIS NINE-FOLD ACTIVITY?

When the chela is cognizant of these nine groups of Perfected Beings, he can turn his attention to Them and become a Grail for the DESCENDING POWER of Their concentrated energies in whatsoever sphere Their benefaction is required.

54. THE PRESENT GENERATION IS BECOMING INCREASINGLY AWARE OF WHAT THEY CALL "OUTER SPACE." IS THE PROJECTION OF MISSILES INTO OTHER ORBITS THE ANSWER TO WORLD PEACE?

DEFINITELY NOT! The dedicated men of science in this field of exploration have glimpsed the glory of this Nine-fold Celestial Court but have INVERTED their activities for the most part. When science and religion are again correlated in service, each earnest such an one will cognize the proper perspective between mankind and the universe in which he abides. Drawing into the orbit of the Earth the Power, Wisdom and Divine Love of the Crowns, Thrones, and Principalities; Seraphim, Cherubim, and Angels; and Cosmic Beings, Ascended Masters, and Holy Christ Selves by the awakened and alert chelas will bring and sustain a LASTING World Peace. These nine groups of Divine Beings are constantly active in the universe, even as the Sun is constant in its outpouring although storm clouds will often prevent mankind from receiving its beneficent rays. The impersonal radiation of these Divine Beings blesses the entire universe and ONE ALERT CHELA can channel that blessing to the entire planet. "I AM" the Victorious heartbeat ALIVE within you and YOU ARE SUCH AN ONE!

BELOVED KRISHNA

Speaks on

"In the Beginning was the Word"

"In the beginning was the Word, and the Word was with God and the Word was God. And the Word was made Flesh and dwelt among us (and we beheld His Glory, the Glory as of the only begotten of the Father) full of Grace and Truth."

John 1:1&14

"I AM' LORD KRISHNA whose service to this planetary scheme is to initiate, sustain, prepare and direct every Divine Being who has evolved to the point where He or She may become, in the world of form, a Living Expression of Deity, When it is ordained by Cosmic Law that the Word be made flesh, it is My particular Joy to unfold the Christ-man coming to give the vitality required to resuscitate a recalcitrant mankind at particular moments of Cosmic crises. Thus it was my great honor, privilege, responsibility, and obligation to prepare the Ascended Master Jesus, the Christ. The people of Earth in this present hour are looking again for a "second coming" which is imminent, and I have already prepared the new Christus who but awaits the propitious moment for His advent.

55. ARE YOU THEN THE FORMER LORD MAITREYA?

No, "I AM" He who taught Lord Maitreya and others like unto Him.

56. WHAT DOES SAINT JOHN MEAN BY "THE WORD"?

The Father-Mother God spoke the Words "I AM", creating a focal point of individualization before this Solar System was created. Every individual, as a child of Deity endowed with the power of speech, is, in like manner, privileged to unite himself with the Father-Mother God and and entire WORLD BODY, through the positive affirmation "I AM" - followed by a constructive statement.

57. DOES THIS STATEMENT HAVE TO BE AUDIBLE?

No, It is the FEELING and the THOUGHT of the unity which this expression promulgates in the hearts of men which makes it efficacious as THE FIRE OF CREATION in any sphere where it is felt, thought, or spoken.

58. BELOVED KRISHA, HOW ABOUT DEAF MUTES?

Deaf mutes, having the full power and intelligence to think and feel, can ofttimes create a more powerful and single-pointed Word in their hearts than those who speak too often - wasting valuable energies upon trivialities.

59. PLEASE TELL US ABOUT THOSE KINGDOMS EVOLVING UPON THE EARTH OR IN ITS ATMOSPHERE WHO CAN NOT SPEAK.

These evolutions have the power of both feeling

and thinking, which are the propelling powers which intelligently secure for them that which they require for survival, so that they and their progeny can continue to perform the constructive services to mankind.

60. WHAT ABOUT THE DESTRUCTIVE ACTIVITIES OF THE OTHER KINGDOMS, GRACIOUS LORD?

Every expression less than perfection in the Earth, on the Earth, or in its atmosphere has been IMPOSED upon these Kingdoms by destructive thoughts, feelings, words and actions of a disobedient mankind.

61. IF THE WORDS "I AM" ARE THE POWER OF CREATION, WHY MUST THEY BE REPEATED SO OFTEN IN ORDER TO HAVE A MANIFESTATION?

Because, through free will, mankind, having been endowed with the power of speech, has used the words "I AM" followed by destructive statements, energized by his feelings and thoughts, which have created the very experiences mentioned above, and must be re-educated to use these creative words ONLY in a constructive manner. This requires the education of the emotional, mental, and etheric vehicles as well as the physical form. A hollow and shallow statement made by the personality without this understanding and not coupled with positive feeling and direct thought, is not efficacious. To one with the conscious understanding of the possibilities which are within the use of this creative power in the Word "I AM", I say to you, even as Beloved Jesus did, wise you are to build a momentum of thinking, feeling, and expressing yourselves by using a constructive statement following "I AM".

62. WHERE ARE THE CHAKRIC AND GANGLIONIC CENTERS THROUGH WHICH SPEECH IS MADE POSSIBLE?

The ganglionic center is in the throat of physical man. Any defects in speech are due to past MISUSE of this power of expression. The chakric center is also at the throat of the etheric vehicle.

63. WHAT ARE THE COLORS OF THESE CENTERS?

Both are scintillating electric blue.

64. ARE THESE CENTERS STATIC?

Definitely not. They are in constant motion clockwise. The speed of their revolution is determined by the free will use which every man determines in himself to use in the power of speech. The vibratory action of the individual's vehicles determines the balanced acceleration of these centers and makes the spoken word a euphonious director of energy. The beautiful and melodious voice of the "I AM" Presence in both speech and song can most easily be resuscitated as the chelas ponders on this instruction and makes of it a blessing to all life. When My Pupil, Jesus spoke, all of the elements responded happily and joyously to His slightest whisper or His greatest COMMAND.

You, too, My Beloved, are the WORD MADE FLESH! Each one is the ONLY BEGOTTEN SON, that phrase implying that your individualization was fore-ordained by the Father-Mother God as a part of the Great Divine Tapestry of the ages, and the SECOND COMING to you is determined by your response to ME. "I AM" HERE - I shall expect you to likewise be in the Upper Chamber at all times.

THE GODDESS OF LIGHT

Speaks on

Light's capacity to serve you

"I AM" the Guardian, Protector, and Radiating Center of Light for this planet Earth and Her attendant evolutions. I made My Eternal Vow to Helios and Vesta to sustain the Light for the planet Earth and Her evolutions. Wherever the darkness is greatest, there "I AM" waiting the call of the children of Earth to assist them in dissipating all shadows of human appearance.

65. BELOVED ONE, WHAT IS LIGHT?

Light is the primordial substance emitted by the Father-Mother God from whence all constructive manifestations are moulded and sustained.

66. WHAT DID THE FATHER-MOTHER GOD DO WITH ALL THE LIGHT WHICH THEY GENERATED AND SENT FORTH?

They created, through the use of the Words "I AM", coupled with Their concentrated thoughts and feelings, the Divine Blue print for all the planets of the System.

67. WHO FIRST RESPONDED TO THE CALL OF LIGHT SENT FORTH BY HELIOS AND VESTA?

The Universal Silent Watcher who, in turn, selected those Divine Ladies from Her Court to become the planetary Silent Watchers for each planet in Helios and Vesta's System.

68. WHAT WAS THEIR SERVICE?

To receive the Divine Blueprints from Beloved Helios and Vesta for each such planet, and to hold inviolate the perfected Design given unto Them.

69. WHO WERE THE DIVINE BEINGS WHO ASSISTED THEM IN BRINGING THESE DIVINE BLUEPRINTS INTO MANIFESTATION?

First came the Seven Mighty Elohim, the Cosmic Architects; the Directors of the Four Elements and Their subjects; the Seraphim, Cherubim, and Angelic Host; and the Builders of Form for each Kingdom - each weaving Their Threads of Light into the Universal Tapestry in a glorious symphony of sound and color - Harmony being the Edict of Solar Creation.

70. WHEN WAS MAN CREATED?

He was created in the Image and Likeness of God by Helios and Vesta, and his Eternal Light Bodies joined the process of Creation while sojourning in the Seven Spheres which formed the aureole of the Earth.

71. WHEN DID MAN COME TO EARTH?

At the Cosmic Moment when the Beings mentioned, had completed Their appointed service. Then the Master Ray from the Heart of Beloved Helios and Vesta set the planet into motion conforming to the Harmony which has been established in the planetary Creation.

72. WHY ARE THE PLANETARY SILENT WATCHERS FEMININE?

At the time when the planetary Silent Watcher was assigned to the Earth, Her Divine Complement offered to be the magnetizing center for all life in the Earth, on the Earth, and in its atmosphere. Thus, Immanuel focused His energies in the very center of the globe being formed, setting up the initial centripetal force required to magnetize the Spirit Sparks prepared by Helios and Vesta, who has been awaiting such magnetization in the Seven Spheres. At the moment when Immanuel and Immaculata had formed the Rod of Power - centripetal and centrifugal force - the First Root Manu with His first sub-race took embodiment in beautiful shining forms. Thus did the First Golden Age upon the Planet Earth begin.

73. HOW LONG DID THIS FIRST GOLDEN AGE LAST?

Fourteen thousand years; during which time there was no inharmony or imperfection of any kind enabling the Manu and His Children to perform the God-service for which They came into embodiment.

74. DOES THIS HOLD TRUE FOR THE NEXT TWO GOLDEN AGES?

Yes, All the individuals concerned in the life experience on the Earth sustained perfect harmony and were always obedient to the directives of their God-Selves and their Guardian Spirits. There was not a shadow upon the Earth until the laggards from other Stars polluted the consciousness of the people of the Earth. "I AM" COME; and I shall remain until every shadow is transmuted into LIGHT!

BELOVED CONSONANCE

Speaks on

Constructive Colors

and their beneficent aspects..

"I AM" CONSONANCE, the Conductor of the Planetary Symphony, who, with Beloved Harmony, have the joyous opportunity of acquainting mankind again with the conscious re-creation that comes through constructive music and color. Too long has the Earth's vibratory action been so dissonant that it has not contributed to the Song of the Cosmos. Now, the Song of Re-Creation shall rise from grateful hearts participating in this service. All Kingdoms being so resuscitated shall contribute to this melodious expression.

75. AS WE CONTEMPLATE THE CAUSAL BODY SHOWN IN THE HOLY TRINITY PICTURE, WHAT DOES THE COLOR BLUE SIGNIFY?

Illumined Faith and God Protection.

76. THE GOLD?

Wisdom and Understanding.

77. THE PINK?

Pure Divine Love, Tolerance, and Humanitarianism.

78. THE WHITE?

Purity and Selflessness

79. THE GREEN?

Concentration and the Power of Consecration to God's Service.

80. THE RUBY?

Ministration and Healing.

81. THE VIOLET?

Mercy and Transmutation

82. DOES THE WEARING OF THE COLOR WHOSE RAY IS PROMINENT EACH DAY ASSIST THE INDIVIDUAL SO DOING?

Most assuredly! As like attracts like in any sphere, the color acts as a magnet for the Divine Being whose radiation is pouring forth during each twenty-four hour period.

83. KINDLY EXPLAIN, GRACIOUS LADY, ABOUT THE MANY HUES OF EACH COLOR.

I am happy to do so. This is very important. Color itself is alive and emits a vibratory action which is conducive to the acceleration of the four lower vehicles of man as well as the Angelic and Nature Kingdoms when it is a positive and constructive shade.

84. WHAT ACCOUNTS FOR DRAB AND NEGATIVE COLORS?

It is the co-mingling of the destructive thoughts, feelings, words and actions of all the evolutions which have used the Earth as a school-room; and an individual whose own aura is akin

to that vibration, creates and sustain it.

The soul of man, having had so many experiences through aeons of living, not only on the Earth, but between embodiments, has generated and clothed himself 'round with shadow substance. By reason of a similarity of vibration, he usually surrounds himself and his environment with these many negative shades of color.

85. IF AN INDIVIDUAL IS DISTRESSED OR UNHAPPY OR SUFFERS LIMITATION, IS THIS THE RESULT OF THE WRONG CHOICE OF COLOR?

Partially. The first step toward changing the aura into a more positive, balanced, joyous and harmonious one, is to cognize the colors with which he surrounds himself. A true and impersonal inventory will reveal to the earnest chela the invisible aura which he himself has created. He will then desire to cooperate with the Divine Plan by using more positive colors - with their attendant radiation. Clear, distinct and positive colors, being intelligent and activated by the Divine Beings who direct them Earthward, can serve as conductors of the God qualities required by the individual to purify the aura, illumine the mind, and raise the individual out of inertia and depression into LIGHT.

86. WHEN SCIENCE AND RELIGION COOPERATE, WILL WE SEE THE MANIFEST EXPRESSION OF THE USE OF CONSTRUCTIVE COLOR AND MUSICAL THERAPY?

Most certainly! It is the Divine Edict that in all the seven constructive channels of expression, Science and Religion are to become one. Powerful examples are apparent in Ultraviolet

Ray, the Green of the Medical Profession, and the fashion designers, in their selection of color, who have in some instances tuned in to the color of the Ray of the Year. In the world of commerce, as well as the medical field, color and musical therapy have already proved their efficacy, although the exploration of this field is only in its infancy.

87. WHY DOES THE PIGMENT OF THE SUBSTANCE OF THE EARTH VARY IN DIFFERENT LOCATIONS?

Because the very body of the Earth, Virgo's vestments, has been despoiled, temporarily thank God, by the various destructive activities in which mankind has been engaged through the ages.

Those portions of the landed surface of the Earth which are barren are the result of selfishness and greed. In the glorious process of restoration, these landed surfaces shall again become prolific through the loving cooperation of the Nature Kingdom and its Mighty Directors. The very men who, in ages past, were the cause of these destructive conditions, are now in embodiment through the mercy of the Karmic Board so that they may make restitution for their misdeeds and assist the Nature Kingdom and its directors in the restoring of a beautiful, verdant, harmonious, and God-designed focus in the place of wasteland. Soil conservation is one example.

88. ARE THE SEVEN SPHERES IN WHICH THE MANUS AND THEIR ROOT RACES ABIDE BEFORE BEING SIGNALLED BY IMMACULATA AND IMMANUEL OF THE SAME COLORS AS THOSE OF THE CAUSAL BODY?

Yes, naturally, they are tremendous in proportion to the individual Causal Body. Within

these Spheres are the Temples not made with human hands, and countless Divine Beings dwell therein. The full scope of this vista is beyond the comprehension of the human mind.

89. IS IT TRUE, BELOVED LADY, THAT MUSIC HAS COLOR?

Assuredly! Every musical composition sends forth a definite color of beneficent radiation when the composer has received into himself a portion of the Song of the Cosmos and has translated it without adulterating it by any personal accretions. However, every individual who later gives a rendition of the composition enhances or deflects from its original beauty. The sensitivity of the true artist receives into himself the inspiration of the original composer, the purpose for which such a composition has come forth, and amplifies through the purity of his nature, this blessing to life everywhere and adds to the harmony of the Cosmos.

90. DOES EVERY THOUGHT, FEELING, WORD, AND ACTION HAVE COLOR AND SOUND?

Definitely so! In this process of re-creation, it is Our purpose to teach men to discontinue the misuse of thought, feeling, word and action, thus dissolving the thought forms of an imperfect nature at inner levels as well as in the physical appearance world. Each man will then be enabled to consciously use these creative faculties in building the cathedrals of worship for their own souls and help to imbue the masses with the same desire to become harmonious expressions of God's Love.

X I

THE GLORIOUS GODDESS ISIS

Speaks on

The magnificent cooperation of
the Seraphim, Cherubim, and Angelic Host
in the Creation of the planet Earth
and in Her redemption.

"I AM" Isis, the Sun Goddess, come into the atmosphere of Earth for one purpose, and one purpose alone - to bring the LIGHT OF UNDERSTANDING to the recalcitrant human race and particularly to those who purport to be their teachers. My subject refers, primarily, to the magnificent service of the Seraphic, Cherubic, and Angelic Hosts who are the Emissaries of the Universal "I AM" Presence and those of Us privileged to be a part of the Fire of Creation.

Chela, bend thy knee before the Seraphim, the Cherubim, the Angelic Host! Without Their kindly and voluntary assistance, you would not even have a planetary abode, nor a Temple not fashioned with hands (the physical body) wherein there blazes the Immortal Victorious Three-fold Flame of God, which again, as the Resurrection Flame begins Its ascendancy, revitalizes the Nature Kingdom, the Animal Kingdom, and is by Law, the FIAT OF THE ASCENDED JESUS CHRIST, due to activate the God potentialities, too long dormant, within you!

91. BELOVED ISIS, WHAT PART DID THE SERAPHIM, THE CHERUBIM, AND THE ANGELIC HOST PLAY IN THE CREATION OF THE PLANET EARTH?

When the Beloved Helios and Vesta were qualified by Alpha and Omega to become the Sun God and Goddess of this planetary system, forty-nine majestic Seraphim of the most magnificent symmetry of form and glorious beauty (indescribable in terms known to the present inhabitants of Earth) knelt before Alpha and Omega and received from these Beings the Cosmic Announcement that a new Sun God and Goddess (Helios and Vesta) were vested with the power to create a planetary system. Sweeping through the Cosmos as the Solar Highways were opened, They carried this joyous message to Helios and Vesta Themselves.

92. BELOVED ISIS, CAN YOU TELL US WHY THERE WERE FORTY-NINE SERAPHIM REQUIRED IN THIS SERVICE?

Mighty Serculata, the Cosmic Mother of all the Silent Watchers of this System, in whose Heart is held the Divine Blueprint as designed by Alpha and Omega, knew full well that, in unfolding the Pattern of Creation, there should be seven Sun Gods and Goddesses, who from Their flaming orbits should each nourish and sustain seven planets. Thus, although the Suns-Hercules and Amazon, Aureole and Aurea, Dawn and Luz, had not yet prepared themselves for this singular honor of Solar Initiation, Serculata knew that in a Cosmic Moment yet to come They should be ready to join in the glorious process of God Creation. Therefore, She chose the mystic number of Forty-nine Seraphim - denoting completion.

93. WHAT WAS THE SERVICE OF THESE COSMIC SERAPHIC MESSENGERS AFTER THEY MADE THIS ANNOUNCEMENT TO HELIOS AND VESTA?

When such messages of Cosmic import are announced by the Seraphic Legion, Their Melodic voices accompanied by Their magnificent aureoles, fill the Cosmos and even stir the galaxies whose peripheries touch the hem of the Spiritual Garments of Alpha and Omega, and vital energies are born. The aspiring Sun Gods and Goddesses in this Galaxy are bestowed with a new impetus to receive a like benediction in Their coming Hour of Initiation.

The buoyant enthusiasm of Their Auras within the orbit of Helios and Vesta magnetizes the Elohim of Creation, the planetary Silent Watchers of this System, and all Divine Beings who become the Builders of Form under the direction of Helios and Vesta.

94. DO THESE SERAPHIC LEGIONS REMAIN IN THE AURA OF HELIOS AND VESTA AFTER THIS SERVICE HAS BEEN RENDERED?

Forty-eight return in the same splendor to Alpha and Omega - and ONE REMAINS.

95. WHAT WAS THE NAME AND SERVICE OF THIS BELOVED ONE WHO REMAINED WITH HELIOS AND VESTA?

Your own Beloved Serapis, later to become the Hierarch of Luxor. His service was, and is to this very day, to invoke the Seraphim of this planetary system into the Presence of Helios and Vesta where They, too, bending the knee, offered to the newborn Sun God and Goddess Their allegiance to the Most High Living God. From that

instant, the Serapic Host, under the direction of the Mighty Serapis, has served as envoys of Helios and Vesta to the Silent Watchers appointed by Them as each planet of the System was conceived.

96. BELOVED ISIS, AS SOME OF THE CHELAS KNOW, BELOVED SERAPIS BELONGS TO THE PLANETARY SYSTEM ABOVE THE EARTH UNDER THE JURISDICTION OF KRISHNA AND SOPHIA. WHY DID HE VOLUNTEER FOR THIS SERVICE?

Because, like unto the Beloved Sanat Kumara and other Divine Beings in the System immediately above that conceived and sustained by Helios and Vesta, it is the custom and privilege to serve the System below.

97. HOW THEN, BELOVED ISIS, DID THE GLORIOUS SANAT KUMARA AND THE BLESSED SERAPIS SPECIFICALLY SERVE THE EARTH?

After His service on Mercury, Aquaria, and Uranus, where He stimulated the activities of the Seraphic Host of these planets, the time had come when the Earth required superhuman assistance to remain a part of this planetary system. As a Divine Architect, when His own Lord of the World (Sanat Kumara) announced to the Kingdom on His native Star, Venus (of which Serapis is a member) that He, Himself, was to bring the Light, Patience, Balance, and Wisdom of His own Personage to a darkened Star, SERAPIS WAS THE FIRST VOLUNTEER who offered to supervise the creation of the magnificent Shamballa, a replica on Earth of Sanat Kumara's planetary Home. For this purpose one of the greatest sacrifices known in Heaven's Realms took place - the Lord

of the Seraphic Host in the Ceremony wherein the locks are shorn, the Light of Heaven dimmed, temporarily, took upon Himself and Earthly garment, and a Son of Love descended in order that the proximity of His personal magnetism might accelerate the enthusiasm necessary to sustain the individuals who, through nine hundred years, dedicated themselves to the sole task of the preparation of Shamballa.

The very instant that the magnificent dome of Sanat Kumara's Temple and the minarets of all the lesser Temples at Shamballa were showered with the crystalline essence of the Divine Architect and His Seraphic Legions, into the atmosphere of Earth CAME SANAT KUMARA AND HIS COURT. Then Beloved Serapis was free to direct the Seraphic Legions in Their Service wherever required - ultimately becoming Hierarch of Luxor and Guardian of the Ascension Flame.

98. WHAT IS THE SERVICE OF THE CHERUBIM TO THE EARTH AND HER EVOLUTIONS?

Under the direction of Their great Leader, Mighty Felicita, They enter into the flaming vortex which is the Aura of Helios and Vesta and carry forth the radiation and blessing of the God Virtues which are the predominant nature of the Sun God and Goddess of the System. They render the same service by entering into the Heart of the Flame in any of the Ascended Master Retreats, and as They are primarily Beings of FEELING, when They emerge and are directed forth, any one of the three evolutions using the Earth as a schoolroom are the recipients of Their God-gifts. They are the Holy Grails of the Gods.

99. BELOVED ISIS, WHAT IS THE SERVICE OF THE ANGELIC HOST?

Under the mighty direction of the Beloved Raphael and Holy Mother Mary, the Angelic Host are the Messengers sent forth by any Divine Being to perform services of inculcating into the consciousness of the evolutions of the planet, Earth, the Illumined Faith of Prince Michael, the Wisdom of Lord Jophiel, the Love of Lord Chamuel, the Purification of Lord Gabriel, the Consecration and Healing of Lord Raphael, the Ministrating Grace of Lord Uriel, and the Mercy, Compassion, and Forgiveness of Lord Zadkiel - to the just and unjust alike.

Angels know no form, are entirely impersonal in Their service, always obedient to Their Directors, and can be most efficaciously invoked by Beauty in its myriad forms - color, fragrance, and harmony.

The powerful protecting Ascended Legions of Lord Michael, however, are an exception to this rule and fearlessly enter the astral realm to cut imprisoned life free from all types of effluvia.

100. BELOVED ISIS, HOW CAN WE BEST COOPERATE WITH THE SERAPHIC, CHERUBIC, AND ANGELIC HOSTS IN THE REDEMPTION OF THE PLANET EARTH?

FIRST, by accepting Their reality, understanding Their Ordered Service, and being grateful that such Divine Beings choose to patiently serve in the orbit of the Earth.

SECOND, to emulate Them in daily living.

THIRD, by so accelerating the vibratory action of the evolutions of Earth that the human veil is rent, and ONCE AGAIN Seraphim, Cherubim, and Angels WALK AND TALK WITH MEN.

Then shall We of Superior Systems REJOICE in a redeemed planet and Her evolutions - ISIS UNVEILED!
