Dear Child of The Light:

God Bless You! All the Songs in this little book are brought to you to fill your world with Love and Joy - and an understanding of your Place in God's World.

Songs number one (1) thru number nine (9) are to tunes you are familiar with and may have sung them many times yourself. The others are original songs (whose music and lyrics were lovingly dedicated by chelas of The Bridge to Freedom). You will see opposite each one - the melody is written - this will help you to become quickly acquainted with them.

You, too, can write songs of Love and Joy --- its lots of fun! Get very still - put your attention on the Flame in your heart - then on the beautiful God Quality or Great Being of Light you wish your song to be about. -- Then beautiful words will come - to a happy nursery tune - or perhaps a delightful melody of your very own - Try it!

Now 'til we meet another day. May God's great Angels with us stay To ever raise our consciousness on high; That all of life is blessed as we pass by, Thus we do God's Most Holy Will, And our own Plan Divine fulfill. May the Light of God surround us Like a halo all around us, ' Til we attain our Vict'ry bright In our Ascension's Holy Light.

#### YOUR GUARDIAN ANGEL

A Guardian Angel comes to guide you, On the day that you are born. He knows what is happy and is good. And if you don't know what to do, He will whisper it to you.... And if you're still He'll speak to you, His Will. For your Guardian Angel is the best Friend you have, the best Friend you have, the best Friend you have. For your Guardian Angel is the best Friend you have... He's a Gift from God to you.

(Tune: Spoonful of Sugar - Mary Poppins)
