LESSON NO. 6

PART I**THE THIRD RAY : THE MAGNETIC PINK RAY**

The Third Ray represents the Magnetic Power of God's Pink Flame of Love which is the activity which coalesces the Divine Ideas and brings them into physical form. It is the substance of Divine Love which actually holds all form together, for without this Love, the very atoms which make up the physical form would fly apart.

The First Ray represents the Will of God; the Second Ray represents the Wisdom of God; and the Third Ray represents the magnetizing Love of God, thus completing the Trinity of Activity of the Immortal Three-fold Flame that abides within each human heart and makes of man a Divine Being with the power to create even as God creates. This Three-fold Flame (also known as the Liberty Flame) was originally established at the Chateau de Liberte by the Goddess of Liberty.

The present Chohan, or Director, of this Ray, is the Ascended Master Lady Rowena, the Divine Complement of the Mighty Victory. The services of these Offices are many for the Third Ray is also the expression of the Holy Spirit to our Earth which is represented by the Beloved Maha Chohan, Paul, and also the Beloved Holy AEolus, Cosmic Holy Spirit to the seven planets of our Solar System Who formerly held the Office of Maha Chohan. Part of Lady Rowena's Service is to help translate God's Divine Plan into actual expression.

The Chohan of the Third Ray is a Master of Tact, Diplomacy and Beauty, and thus has always been looked upon as an idealistic form of ascetic living, but this Office also demands a practical, dynamic and forceful expression of the Divine Mind in the world of form. Tact and Diplomacy are part of the Third Ray man because in changing the outer world's appearances into the Divine Plan, whether it is a person, a locality, or a nation, the more that can be accomplished through these qualities of Tact and Diplomacy, rather than through a bombastic shattering of the existent form, the better for all concerned. The Divine Plan, in order to be of any use, must be drawn into the physical expression and molded into the substance of the Earth plane, and this great Ray is the process by which such creative action takes place.

The Chohan of the Third Ray is vitally interested in the encouragement of the talents - latent and developed - for each and every lifestream is sent forth in the beginning with a specific blessing to give to the Earth. The Brotherhood under the direction of this Chohan are the Ones Who stand by, encourage, sustain and protect, not only the genius at the top of the ladder, but also the humble aspirant who has just placed his feet upon the first rung of the Ladder of Attainment.

The Divine Plan is contained in the Three-fold Flame within the heart of each one, and signifies to all Life that God, the "I AM" Presence, has some special activity to perform through each such an one; that there is some fragrance, some virtue, some momentum of GOOD which each lifestream wishes to express in this physical world. Thus it is that the Brothers of the Third Ray assist every man, woman and child to fulfill this Divine Plan.

THE TEMPLE OF THE HEART (Chateau du Coeur)

In the southern part of France, on the banks of the Rhone River that flows serenely through the green hills and valleys of the countryside, stands the Chateau du Coeur (formerly known as the Chateau de Liberte) which is presently the Home of the Lady Rowena, Chohan of the Third Ray, and Divine Complement of Mighty Victory.

The Chateau, as well as the magnificent Gardens behind the building, is built in three tiers. As you reach the top of the marble steps which lead up to the Chateau, you will see on the wall at the right of the door a golden cord which when pulled releases the sound of three beautiful chimes of music. The door is then opened by one of the Brotherhood of this Retreat. Inside the entrance hall, one can feel the living pulsation of the Three-fold Flame which is located below the main floor of the Chateau. Remember, a focus of the same Flame lives within you! It is the Three-fold in design, looking somewhat like the fleur-de-lis. This symbol used by the Brotherhood of this Retreat is similar to the National emblem used by the French people for many centuries.

You approach the Flame Room, through a long corridor somewhat similar to the Hall of Mirrors at Versailles. The entrance is gained through wide folding doors with the Dove encrusted in gold on the white panel of each door. While walking along this hallway, you will see magnificent pictures of the Seven Archangels - three on the left - MICHAEL, RAPHAEL, ZADKIEL - and three on the right - URIEL, JOPHIEL, GABRIEL. The Archangel CHAMUEL is depicted in a lifesize tapestry at the end of the corridor, this forms the entrance to the actual Flame Room and is so constructed that it can be divided in the center to allow the

chela to pass right through the Pink Flame and Presence of the Archangel Chamuel into the Flame Room.

As you walk, in consciousness, along this beautiful corridor, try and feel the radiation of the Archangels and the current of energy as your body passes through the picturization of Lord Chamuel. FEEL THE STILLNESS! When this Retreat is open and the Flame goes into action, it seeks to impress the answer to every heart prayer. It seeks to anchor the conviction that the Three-fold Flame in each heart IS all-powerful and that if you listen, you can hear It say: "ALL THIS I CAN DO FOR YOU, AND MORE!" Practice hourly and daily relying upon this Three-fold Flame of God within your heart.

DISCOURSE BY PAUL - THE MAHA CHOCHAN

"The Beings of the Third Ray are particularly concerned with the development of Love and represent the activity of Divine Love in the triple aspect of the Holy Trinity. Through the Elohim, the Archangels, and the Chohans, They endeavor to lower into the consciousness and feelings - first of the students and then of all people - a Love for God that contains within itself a mighty sense of Faith in His Power to restore emotions, minds, bodies and memories to their perfect state.

"Examine yourselves closely and find out how much reliance you have in the All-power of the Three-fold Flame of God in your world and how much you have allowed to build upon passing appearances. You must come to an acceptance in your feelings of the Ever-presence of God within the Three-fold Flame of Truth that beats your heart. Mental acceptance of this is not enough, for when the feeling world joyously accepts that active Christ Presence and joyously gives that Presence full power to act through

your various vehicles, then you will find yourself master - first of your aura, and then able to give joyous assistance to your fellowman.

"My Service has always been to develop a love of one man for another; one race for another; one religion for another; and I tell you, in My opinion, that it is the most difficult of all the tasks that have been given to Myself or any of the Chohans of the Rays because each man, according to birth, race, background, and training, is so anchored in the self-righteous acceptance of certain tenets (some partly true and others not at all) that it is an almost impossible task to pry him loose from them.

"To have a World Brotherhood requires a sincere interest in, and an intense devotion to, the entire mass of human-kind, the animal kingdom, and the Elemental kingdom. Love in the abstract is easy to accomplish; love for the Masters and the Angels, and love for the Supreme Being seems easy because there is no pressure of a personal aura which is disturbing to the unmastered energies of your own world.

"You, beloved students, must cultivate the capacity to love and understand your fellowman. You have not touched the fringe of mankind at large. Few have yet been drawn to your attention who possess certain talents and gifts and who do not conform to your set pattern. As you develop and broaden your outlook, many will come. You will have your Moslems, Hindus, Buddhists, Rabbis, Christians - all of them possessing their own ideas of Deity; all firmly clinging to that which HAS BEEN; not letting go until they have come to have faith in YOU, YOUR WORKS, and YOUR EXAMPLE, and they see through these that YOU HAVE A BETTER WAY OF LIFE. To you, My friends, I commend the task of drawing Tolerance into your feelings, your minds, your etheric gar-

ments, your flesh, your very gestures, spoken words and actions, until all mankind can say that IN THE STUDENTS OF SAINT GERMAIN THEY HAVE FOUND a WARMTH, a WELCOME, and an UNDERSTANDING that will encourage them to come into the radiation of His Activity where they, too, may set their souls free from bondage and fulfill their Divine Plan in Peace and Harmony.

“Whenever a heartfelt prayer is uttered, either silently or audibly, an answer to that call is always forthcoming from the Higher Octaves - its efficacy depending upon the feelings of the petitioner - whether it is a worried mother calling for the protection of her loved ones or the cry of a small child in distress. There are Great Beings called Silent Watchers Whose Service is to watch for this prayer force and wherever They see it rising from the Earth, They gather it up and send it Heavenward on Their own strength if it is weak. In the case of your powerful decrees, those calls can pierce right through into the Living Presence of the Beings to Whom they are directed. Wherever people are engaged in prayer, singly or in groups, there the Angels gather. If your ears were attuned to the inner vibrations, you could actually hear Them gathering as They come from North, South, East and West to add Their strength to your calls by Their Presence, spreading the essence of the benediction that comes in answer to your petitions for the Earth.”

DISCOURSE BY LADY ROWENA

“Gratitude is such a priceless commodity that flows freely through your beings as a Gift from the Heart of the Universal “I AM” for your benediction upon all Life. It is generally accepted that one offers Gratitude for a gift or favor from some other part of life, and it is the natural

emanation from one’s being in response to a blessing or a kindly deed through which one personally benefits.

“If you think deeply upon this, you will realize that any Gift of God, the Father-Mother of us all, which affects one, affects all. In every instance, when a blessing flows through you to another, the sum total of the Gift is expanded, or more simply, the momentum is greater in its expression, not only on this planet, but throughout the Universe.

“I would ask you to think upon the Gifts which you dispense to others in this world of form. Every thought, word and deed which emanates from you is YOUR qualification of the Energy which the Cosmic “I AM” Presence has given into your use for the expansion of the Kingdom of Heaven upon the Earth. Is your release of that Energy a Blessing upon Life?

“I advocate that you more fully contemplate the Cosmic Reservoir from which all Gifts flow. When you become more deeply immersed in the Flame of Gratitude, you will experience an expanded understanding of the Oneness of all Life. Gratitude is an expression of Divine Love - that mighty Activity which We know as the Cohesive Power of Creation. That which is builded in Divine Love endures; all manifestation less than that is of a temporary nature.

“There must be various types of constructive service in order that all the Rays of Perfection may find expression on the planet, and the Third Ray, as you are aware, embodies Divine Love and Tolerance. The adverse qualification is human licentious love, and it is this negative activity which must be transmuted by the Sacred Fire of Transmutation and Purification. So you see, the action of the Fourth Ray of Purity and the Seventh Ray of Transmutation serve in co-operation with the Third Ray to bring fuller expression of

Divine Love and Tolerance so necessary for the true Brotherhood of Man.

“The chelas under Our direction should by this time have come to the conclusion that We must have diversified avenues through which God’s Energy flows. All cannot serve on the Third Ray as it is now My privilege so to do, or can We decide that We would rather be on the Seventh or some other Ray. We must follow the line of Service for which We dedicate Our energies in a specific period, although We may render other Service as We fulfill the avowed Service. As it is in Heaven, so must it be on Earth, through the loving co-operation of the chelas.

“To complete the over-all Pattern for the Earth, it is required that there be men and women of Faith, Wisdom, Divine Love, Purity, Science, Healing, Peace, and Ordered Service through Transmutation. We pray for the day when We have chelas who are content in their service upon a certain Ray or Rays - having builded momentums in their Casual Bodies - and do not continually try to tell the other chela that which he should do. One should not take the presumptive attitude, when engaged in Service of a Spiritual Nature, that the Service which he is rendering is the only way to accomplish a desired result. When one finds himself or herself rendering a Service which will benefit mankind, he or she should be content in his or her field of endeavor and not interfere or try to direct the Service of another.

“Condemnation, or the superior attitude of the little self, has no place in the world of the aspirant upon the Path. Do permit Tolerance to take you by the hand and be a Guiding Light to those about you and to all Life!”

CONTEMPLATION PERIOD

While the Class contemplates the Activities of the Third Ray as given so far, a musical interlude should include such compositions as Chopin’s 1st Piano Concert which is the Keynote of the Chateau de Coeur Retreat; “At Dawning” - the Keynote of Beloved Holy AEolus; “I Love you Truly” - the Keynote of Beloved Paul, the Maha Chohan; and “Ah, so Pure (M’Appiri)” from the opera Martha, which is the Keynote of Beloved Lady Rowena.

PART II

CHAMUEL : ARCHANGEL OF ADORATION

The Archangel Chamuel is the Archangel of Love, Adoration, and Devotion to God and His Goodness as expressed to mankind. He and His Divine Complement, Lady Charity, are dedicated and consecrated to developing in the outer consciousness of mankind a true sense of Gratitude and Adoration to their Source - GOD - and to encourage mankind to unfold the Divine Flame that lies buried within each heart.

On the Third Ray, the Archangel Chamuel renders the specific service of stirring within the individual’s feelings a joyous acceptance of the Ever-presence of God. He is a Being of transcendent Light Who has served for aeons of time at Inner Levels teaching the Angelic Host how They may, through prayer and devotion, accelerate Their own blessed Flames in praise to the Godhead. He has also served in the Elemental Temples teaching elemental life how to raise their consciousness in praise and adoration to the God Who made them.

At Inner Levels, Lord Chamuel and Lady Charity have a glorious Temple builded on a circular design, with a golden dome and encrusted with pink rubies. In this Temple, the Flame of Adoration to God and His Messengers burns brightly. This Flame is directed by Lord Chamuel to all unascended beings to encourage the development of their own Divine Plan, and is carried to mankind by Lord Chamuel's Legions.

All virtues have color and sound. True Gratitude emanating from the heart of any individual is pink. When this Gratitude is sent to members of the human race, it is a soft, delicate pink. When Gratitude is poured out to God and the Divine Beings Who serve Him in conscious adoration and praise, it is a deeper pink and literally the Doors of Heaven open. Back on the Ray of Gratitude and Praise to Deity comes more and more of the beautiful pink Essence into the world of the one sending forth such blessing.

The Divine Love which is expressed by the Archangel Chamuel is the Love which stirs the Power of Gratitude within the hearts of men, Angels and Elementals; that which stirs a feeling of Reverence for Life and understanding of the beneficence of the great Universal First Cause, as well as of the Messengers Who serve that Cause. This Love awakens the dormant Divine Nature of the student to a conscious feeling of Gratitude for blessings received.

For many centuries, the conscious knowledge of the Archangel Chamuel was withdrawn from the outer minds of the masses; therefore, they did not have access to His Presence, but now, the students of the BRIDGE TO SPIRITUAL FREEDOM can consciously tie into the world of this Mighty Archangel and feel, through Him, the great Love that God holds for His creation. That feeling flows from Archangel Chamuel's Heart the moment that you allow your thoughts to

dwell upon Him. Even if you are in a place or condition where your lips cannot form the words, the moment that you invoke His Name and ask for His help, your world and Chamuel's become one.

We commend you who need assistance to a comradeship with Chamuel, and your own faith; your own feelings will prove what a vital assistance the invocation of His Presence can bring into your world.

DISCOURSE BY ARCHANGEL CHAMUEL

"I AM" the Angel of Adoration - He Who embodies that mighty fiat: "Thou shalt love the Lord thy God with all thy heart; with all thy soul; with all thy spirit!" I bring to the remembrance of the Flame that you hold within the Chalice of your heart that Its very nature is ADORATION TO ITS SOURCE! The way back Home to Unity with God is through the externalization of Its Divine Nature.

"The Adoration Flame is practical. It is an actual treatment of the feelings as well as of the mind, and an actual therapy to the flesh. Pure adoration to God has within it no self-seeking, but absolute relaxation, basking in the Goodness of God and loving Him for Himself. Therefore, within it is none of the tension that sometimes attends prayer and invocation because of the use of human will. I challenge any individual in depression, any individual in pain, any individual in chains of any kind to use the Flame of Adoration that is the true nature of their being, and if they do not see and feel FREEDOM, then the Sun and the planets will no longer move on their appointed courses.

"That to which you give your life grows, multiplies, develops and matures, whether it is a garden plot, a farm

crop, or whether it is a friendship - human or Divine. The pouring forth of the Gratitude of your Love and Life multiplies and makes things grow. It makes the Golden Man expand and mature within the heart even as the plants in your garden to which you give the Love of your Life expand and multiply themselves.

“Oh, the Happiness that your bodies will feel, and the lightness that you will experience as you drop the appearances of age, distress and discomfort . As you learn to relax within that Pink Flame of Gratitude and Thanksgiving to Life, the softness will erase the lines from your face and Love will replace the hard look in the eyes. All these blessings come from the use of that Flame of Thanksgiving, of Gratitude and Adoration of which My Beloved Complement, Charity, is the Spiritual Being and Heart.

“I challenge you! Sweep My Flame of Adoration through every condition in your life - to double your supply, to double your enthusiasm, to double your ability and desire to serve, to triple all your activities! It can be done! WORKS, not words, are the order of the day! Everything increases through attention. Remember, magnify and amplify the GOOD! Take the money in your pocketbook and pass the Adoration Flame through it! Bless it - and increase it - and SEE what the use of that Flame will do for you! Children of My Heart, I challenge you to try this!

“We are in the day of Opportunity - not only to make things right, but Opportunity to spread the Cause of Freedom and Its glorious effects across the face of the planet into the consciousness of mankind. Thus, this Earth will be freed from limitation of every description. May there never again go forth from the heart of any student who has been blessed by the Presence of Saint Germain, a vibratory action that is less than the Joy, the Gladness, the Praise, the Thanksgiving,

and the Adoration to the God of Life for His goodness, for such sustained Adoration is the Consciousness of the Kingdom of Heaven which never knows anything less than Praise, Thanksgiving, and Gratitude to Life. That Consciousness never knows depression, condemnation or discouragement.

“The man who learns to adore the Flame of Life and to acknowledge that Presence everywhere, may move in the world and find all life his friend because the intelligent Presence within the heart of even those who seem to be the most difficult responds instantly to the salutation when it comes from the feelings and not just from the lips.

“Beloved ones, the Flame of Adoration directed toward that which is good is a practical agent within your hands to draw to you every good and perfect thing IF YOU WILL USE IT! We come over and over again - bringing to you the KEY TO FREEDOM and your precious hearts respond, but soon you slip back into the habits of the centuries and FORGET TO USE these gifts (which are Ours to give and remind you of) which are YOURS TO EXTERNALIZE! I leave you now in ADORATION'S FLAME!”

THE MIGHTY ORION : ELOHIM OF DIVINE LOVE

The Power of the Great and Mighty Elohim, ORION, and His Divine Complement, Lady Angelica, is the aspect of Divine Love which sets the Cosmos into action. Study Groups have been calling that Power forth in decrees, and these fiats, consciously issued, change the pattern and course of activities in the Inner Spheres and thereby remove mass accumulations of distress. The Cosmic Love, set into motion, impersonally locks the Flame of God around the cause and core of imperfection - removing it before it can manifest as distress in the mind, body and affairs. This is the Service of

the Elohim, but it works on such a subtle plane that most individuals are unaware of it.

Both the Beloved Orion and Angelica are interested in bringing Peace to the Earth through Divine Love. Without pure Divine Love emanating from the heart of any individual, no lasting Peace can manifest. Love, in itself, is a positive quality and NOT negative sentimentality, and its radiation brings forth the warmth of the feeling of GOOD WILL toward all unhappy and imprisoned life. It is the Divine Edict of the Heavenly Father that the people of Earth learn how to love one another NOW! Love is the Cohesive Power of the Universe whether we refer to personal possessions or planetary Peace.

DISCOURSE BY ELOHIM ORION

"I AM" ORION, ELOHIM OF LOVE - that Divine Love which has caused to come into being every Sun and Galaxy in this Universe, every Star and every planet, every form from the Great Solar Galaxy to the tiniest Elemental and atom belonging to this planet.

"DIVINE LOVE is a POSITIVE and not a negative quality. I come into the atmosphere of Earth on Wings of Divine Love, bringing with Me the concentrated Flame of that Love. This Flame has been the magnetic cohesive power which drew into being the Earth upon which your feet stand, the very physical bodies in which you function, and every other manifestation which appears. Every form which you enjoy is a part of My Being - held together by the Flame of Love, for if Divine Love (which is cohesion) would cease to be, all in the Universe would return to the unformed and become again part of primal life.

"Will you now consciously give Me your attention please? If you know of any lifestream in this Earth life, with whom you are not in complete accord, consciously draw the image of that person before your mind's eye NOW and let Me give you the pressure of My feeling of unconditional loving Forgiveness toward that one. If you will ACCEPT this, it will cut you free from the recoil of the energies of those past mistakes which made the enmity in the beginning. Experiences of physical embodiment, good or bad, weave ties that will have to be balanced in another Realm through your inner vehicles (etheric, mental, and emotional bodies) if they are not worked out here on Earth."

THE SEVEN STEPS TO PRECIPITATION - by Elohim Orion

"First of all, the Fiat of Mighty Hercules went forth to Those of Us Who work as One Body. He said: 'A new System is to be born; a new set of God-Parents has to be chosen to create a system of planets. I am called upon to give the decision as to whether or not the Seven Elohim will choose to co-operate in the manifestation of this Plan. Do You, My Beloved Associates, choose to be a part of this Creation?' In answer, each One of Us rushed forth in Love - grateful for the opportunity to serve. Each of Us said: 'I Will!' As Spokesman for Us all, Hercules then preceded Us to the Throne of Helios and Vesta, and announcing Our decision, said: 'Beloved God-Parents, WE WILL to create Your Universe for You. What is Your Design, now?'

"It was Love which enabled Us to have the courtesy to accept the Design of those Beings rather than to project Our own. Then, in Their great Wisdom and Light, Helios and Vesta asked the great Elohim Cassiopeia to pass His Golden Flame through the Body of the Silent Watcher, Circulata, and thus reveal the magnificent Divine Pattern for this Solar System.

We all stood looking upon it with Love, interest and admiration - seeing the size of each planet and the number of lifestreams which were to come upon them. In LOVE, we looked upon the hope of this System's God-Parents.

"In the Activity of My Ray (Divine Love) Our Service of Creation began. LOVE, the Universal Magnet which all life must obey, drew primal life from its quiescent state at My command and that primal life obediently took form according to the Pattern which We perceived in the Bosom of the Silent Watcher. Thus, We proceeded with the creation of each planet.

"Then came the Activity of the Elohim of Purity, Lady Claire - holding true to the original Divine Design so that, even unconsciously, there might not be imposed upon this Pattern some change of form coming from some other Galaxy which We were completing about this same time. This Beloved Elohim held to the Purity and symmetry of the Divine Design in courtesy to the Great Beings Who had chosen to bring it forth. Not one of Us would presume to enter upon the creation of the planets of the System if, in illumined obedience, we were not willing to follow the design of Those Who drew it forth.

"Next came the CONCENTRATION of energy of Mighty Vista (Cyclopea) so that all the Elementals, Angels and Builders of Form could coalesce Their energies and talents around one planet at a time when that one was being drawn forth into form.

"We then drew forth the Activity of ARCTURUS, the RYTHM of the outpouring of each One of Us. This is one of the most important factors in Creation, for rythm provides nourishment for the form. In your physical bodies, the rythm of your heartbeat and that of your breath determines

the efficiency of the physical form. In your own precipitation, the rythm which you establish will determine the symmetry, beauty, accuracy and perfection of your manifest design.

"The Sixth Ray, which is Ministration and radiation of Peace, is the solidifying of the perfect design. This takes seventh place, so that when the Earth was completed and It first began Its own revolutions upon Its axis, the Music of the Spheres began to pour forth from the planet. Therefore, LASTLY came the radiation of the Elohim of Peace, Beloved Tranquility, which held the form of the Earth from disintegration because, where Harmony, Peace and Tranquility abide, that which you have drawn forth cannot either be taken away from you or disintegrate. Just as you shellac certain things to preserve them against rust and decay, so does the activity of the Elohim of Peace enfold and seal all creations in the entire planetary Scheme brought forth by the Elohim for the period of existence designed for that creation.

"You and every individual who desires to become master of the creation of form must also learn to use these same seven steps. Whenever you wish to use and expand the activities of the Third Ray of DIVINE LOVE, whose qualities are Adoration, magnetization, and Gratitude to Life. "I AM" YOUR SERVANT!"

THE USE OF THE PINK FLAME

The Pink Flame of Love is truly one of the most practical to bring results into your world - especially when there seems to be obstruction of some kind between individuals or in the use of mechanical things. ALL responds to the Love and the Peace of the Pink Flame.

Experiment with the Pink Flame and try blazing It through every cell and organ of your physical body. Visualize this activity as you blaze It through your brain and mind structure; saturate your feelings with It and see how It becomes a magnet that draws people and things into your world for Its blessing.

Visualize It bringing Comfort and Peace to all life everywhere - especially the birds and four-footed creatures as well as the human evolution, and see how wonderful is the activity of this blessed Pink Flame.

Use It to bless everything you contact, machinery and mechanical contrivances, and anything and everything that does not seem to yield the Harmony and Perfection that you desire. It acts like 'oil on the troubled waters' in harmonizing and bringing Perfection where imperfection seems to be manifesting. Call to the Great Beings Who serve on that Ray to give you the added pressure of Their Love and watch the Perfection that you draw into your world, for this Pink Flame of Adoration is without parallel.
